in the early 1980s it was discovered that hiv the virus that causes aids could be passed through a mother s milk to her baby almost overnight in the industrialised countries and later in the african countries most ravaged by hiv breastfeeding became an endangered practice but in the rush to reduce transmission of hiv everything we already knew about breastfeeding s life saving effects was overlooked with devastating consequences for mothers and babies in hiv and breastfeeding the untold story former ibclc pamela morrison an acknowledged authority on hiv and breastfeeding reveals how women in the world s most poverty stricken areas were persuaded to abandon breastfeeding as part of a short sighted and deadly policy that led to an humanitarian disaster the dilemma that

breastfeeding an act of nurturing which confers food comfort and love could be at once life saving yet lethal has been called the ultimate paradox this critical account reveals how vital breastfeeding is even in the most difficult of circumstances and examines the lessons that can be learned from the mistakes of the past which is particularly relevant as we deal with the consequences for mothers and babies of another global pandemic covid 19 with detailed information for hiv positive mothers and their caregivers and success stories from mothers themselves this book is essential reading for anyone involved in protecting and supporting breastfeeding or with a need for evidence based information about breastfeeding and hiv

ottawa book award 2015 shortlisted between 1918 and 1921 a great storm blew through canada and raised the expectations of a new world in which all things would be possible the years after world war i were among the most tumultuous in canadian history a period of unrelenting change drama and conflict they were in the words of stephen leacock a time such as there never was before the war had been a great crusade promising a world made new but it had cost canada sixty thousand dead and many more wounded and it had widened the many fault lines in a young diverse country in a nation struggling to define itself and its place in the world labour farmers businessmen churches social reformers and minorities had extravagant hopes irrational fears and contradictory demands what had this sacrifice achieved whose hopes would be realized and whose dreams would end in disillusionment which changes would prove permanent and which would be transitory a time such as there never was before describes how this exciting period laid the foundation of the canada we know today

the classic bestselling autobiography of the most successful fighter pilot of the first world war this is the memoir of the undisputed top gun of world war i s aerial war captain manfred von richthofen who shot down 80 allied aircraft originally published in german in late 1917 as *der rote kampfflieger* the red air fighter it was a runaway bestseller

the english language edition followed in 1918 without any official deal with the german publishers as it was argued that richthofen s accounts of combat against the allied air force aircraft provided valuable intelligence to use against the enemy originally a cavalryman manfred transferred to the imperial german army air service in may 1915 and quickly distinguished himself as a fighter pilot during 1917 he became leader of jagdgeschwader 1 it was better known as the flying circus because of its aircraft s bright colors and because the squadron moved like a traveling circus from place to place as a self contained unit so that it appeared wherever the fighting was the thickest it would be operating at verdun one week only to be north of arras the next a few days later it would be down on the somme richthofen was a brilliant tactician although his modus operandi was as simple as it was deadly typically he would dive from above to attack with the advantage of the sun behind him the victim would not see him coming blinded by glare with other pilots of his flying circus covering his rear and flanks by 1918 he was regarded as a national hero in germany and held the country s highest honor the blue max richthofen was well known in the allied countries and a respected advisor of military aviators newly illustrated with twenty one contemporary images includes many of the red baron s eighty combat reports contemporary interviews with a selection of his surviving victims and an extra chapter on the death in combat of von richthofen
