three exposés of corruption behind the nfl the teamsters and jimmy hoffa and ronald reagan from an investigative reporter who never relents the washington post interference a shocking exposé of widespread corruption and mob influence throughout the national football league on the field in the owners boxes and in the corporate suites a true and terrifying picture of a business whose movers and shakers seem to have more connections to gambling and the mob than to touchdowns and super bowls keith olbermann the hoffa wars the definitive portrait of the powerful corruption ridden teamsters union and its legendary president jimmy hoffa organizer gangster convict and conspirator whose disappearance in 1975 remains one of the great unsolved mysteries mr moldea s view of the hoffa wars which reached its greatest intensity when robert kennedy was attorney general may explain not only mr hoffa s disappearance but the assassination of john kennedy as well the wall street journal dark victory a smoldering indictment of the corrupt influences that rescued ronald reagan s acting career made him millions resulting in a federal grand jury hearing backed his political career and shaped his presidency library journal moldea has through sheer tenacity amassed an avalanche of ominous and unnerving facts dark victory is a book about power ego and the american way los angeles times

neither a random event nor the act of a lone madman the assassination of president john f kennedy was an appalling and grisly conspiracy this is the unvarnished story with deft investigative skill david kaiser shows that the events of november 22 1963 cannot be understood without fully grasping the two larger stories of which they were a part the u s government s campaign against organized crime which began in the late 1950s and accelerated dramatically under robert kennedy and the furtive quest of two administrations along with a cadre of private interest groups to eliminate fidel castro the seeds of conspiracy go back to the eisenhower administration which recruited top mobsters in a series of plots to assassinate the cuban leader the cia created a secretive environment in which illicit networks were allowed to expand in dangerous directions the agency s links with the mafia continued in the kennedy administration although the president and his closest advisors engaged in their own efforts to overthrow castro thought this skullduggery had ended meanwhile cuban exiles right wing businessmen and hard line anti communists established ties with virtually anyone deemed capable of taking out the cuban premier inevitably those ties included the mob the conspiracy to kill jfk took shape in response to robert kennedy

s relentless attacks on organized crime legal vendettas that often went well beyond the normal practices of law enforcement pushed to the wall mob leaders merely had to look to the networks already in place for a solution they found it in lee harvey oswald the ideal character to enact their desperate revenge against the kennedys comprehensive detailed and informed by original sources the road to dallas adds surprising new material to every aspect of the case it brings to light the complete frequently shocking story of the jfk assassination and its aftermath
