principles and practices of christian education shows teachers how they can use two important principles that stand behind all evangelical practices to make their education program stand out from all the others in its nurture of students first evangelical christian education recognizes the need for conversion personal and corporate transformation that reconnects people to their creator second evangelical christian education strives for connection making contact with people as unique individuals who live in a particular society and who need to know more about scripture in this book christian education students learn that the work for which they prepare is a partnership with god to transform people their central task is worship but through it and other activities they lead others to faith commitment and transformation of communities

in this insightful book two leading scholars in christian education trace the history of the discipline from the old testament to the present presented against the backdrop of wider philosophical thought and historical events anthony and benson show how each successive era shaped the practice of christian education today the result is a book brimming with insights that reveal the historical roots and philosophical underpinnings of issues relevant to current practice in christian education ministries the purpose of this book is to provide the reader with more than just valuable insights regarding the past the future is the emphasis of this history book from the introduction

this is a book that relentlessly pursues defining the goals of christian education and then offers a plan in keeping with those goals so many books in the field assume the goals and simply describe the methods not so larry richards his biblical and theological analysis conveys an excitement that makes christian education a mission not just a responsibility and still his approach is eminently practical

insightful and motivational

christianity regards teaching as one of the most foundational and critically sustaining ministries of the church as a result christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries in the encyclopedia of christian education contributors explore the many facets of christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards this encyclopedia is the first reference work devoted exclusively to chronicling the unique history of christian education across the globe illustrating how christian educators pioneered such educational institutions and reforms as universal literacy home schooling sunday schools women s education graded schools compulsory education of the deaf and blind and kindergarten with an editorial advisory board of more than 30 distinguished scholars and five consulting editors the encyclopedia of christian education contains more than 1 200 entries by 400 contributors from 75 countries these volumes covers a vast range of topics from christian education history spanning from the church s founding through the middle ages to the modern day denominational and institutional profiles intellectual traditions in christian education biblical and theological frameworks curricula missions adolescent and higher education theological training and christian pedagogy biographies of distinguished christian educators this work is ideal for scholars of both the history of christianity and education as well as researchers and students of contemporary christianity and modern religious education

how does teaching christianly differ from other forms of teaching how might a christian teach in a biblical way some commonplace set of facts from a mandated secular curriculum this book considers what a biblical approach to teaching may involve as it emerges from a biblically grounded life and what that might look like in the classroom rather than speaking of integration of faith and learning it starts from a foundation of christ the truth and lord of all and moves to the development of a framework for classroom practice that includes a need to try to see things from god s perspective all truly christian education is seen therefore as a profoundly biblical pursuit leading to the revelation of god to do this the book explores the underlying theology and principles out of which our education should flow these principles then allow us to examine such areas as the consideration of a christian way to teach subjects such as geography and mathematics or even what

might be distinctive about the way a christian teacher may do something as mundane as picking up a pencil

essential reading for anyone involved in christian education this classic bestseller outlines a strategic vision for education that is designed to produce christ like people

when the topic of homeschooling comes up there often seem to be various assumptions as to why we homeschool our children which are simply wrong or at the most inadequate yes the government schools have bullies yes the government schools might be bigger targets for armed shootings and yes the government schools even the ones in good school districts have kids or teachers who will teach our children language or experiences that we would rather them not learn that early in life or at all and while all those things are true and good reasons to educate our children at home even if those problems were corrected we and many other parents would still be committed to homeschooling our children why the purpose of this book is to answer that question and to answer it from the scriptures

teaching for spiritual growth is a textbook that explains what it means to be spiritually mature and how churches can help people achieve spiritual growth

this book helps the local church re evaluate its program of christian education after nearly 2000 years of history it is pertinent to ask whether the church school is still true to the principles of the master teacher and of the apostolic church whether its methods of education and their ultimate results are distinctly and peculiarly christian and whether the local church is efficiently reaching humanity with christian teaching the author faces these questions from the viewpoint of one who believes that the bible is inspired that jesus christ is the son of god and that the new testament church is the pattern church he evaluates modern educational thought and practice in the searching light of christian history and principles and draws some constructive conclusions the section on methods present a church school for today which offers all the best of modern education in a pattern thoroughly true to the scriptures
