judge joan cardwell is back as an assistant prosecutor many years ago she prosecuted a black man for rape after seventeen years in prison larry jenkins contacts the innocence project proclaiming his innocence and seeking a dna test at the insistence of cardwell karen braxton the elected prosecutor resists the dna test her resistance leads to an evidentiary hearing as the evidence develops in the jenkins case the prior murder prosecution of garner lee the son of cassandra and senator winston lee surfaces questions are raised as to whether that murder case was fixed by braxton cardwell cassandra and senator lee to protect the senator s gubernatorial candidacy did the senator put cardwell on the bench and would the favorable resolution of the murder case be a payback as the innocence project and jonathan felbin gather the evidence for a dna test braxton becomes concerned something may not be right with the way cardwell handled the jenkins case did she prosecute and convict an innocent man who had spent the last seventeen years in prison for personal political gain was perjured testimony used to obtain the rape conviction although not involved in the decision to prosecute larry jenkins braxton was involved in the garner lee murder prosecution will her role along with the involvement of the lees and judge cardwell be uncovered will

garner lee who has repeatedly denied killing his girlfriend amy deland be exonerated with the identification of the real killer will larry jenkins be freed will garner lee and larry jenkins be vindicated or will joan cardwell karen braxton cassandra and winston lee be allowed to remain in their offices as though they did nothing wrong

how emergent practices and developments in young people s digital media can result in technological innovation or lead to unintended learning experiences and unanticipated social encounters young people s use of digital media may result in various innovations and unexpected outcomes from the use of videogame technologies to create films to the effect of home digital media on family life this volume examines the core issues that arise when digital media use results in unintended learning experiences and unanticipated social encounters the contributors examine the complex mix of emergent practices and developments online and elsewhere that empower young users to function as drivers of technological change recognizing that these new technologies are embedded in larger social systems school family friends the chapters consider such topics as un equal access across economic racial and ethnic lines media panics and social anxieties policy and internet protocols media literacy citizenship vs consumption creativity and collaboration digital media and gender equity shifting notions of temporality and defining the public private divide contributors steve anderson anne balsamo justine cassell meg cramer robert a heverly paula k hooper sonia livingstone henry lowood robert samuels christian sandvig ellen seiter sarita yardi

this important new work focuses on the pioneers in machinima considered to be the grassroots and beginnings of virtual production machinima s impacts are identified by the community supplemented by harwood and grussi s research and experience over a period of 25 years from game film and filmmaking to digital arts practice creative technologies developments and related research and theory machinima is the first digital cultural practice to have emerged from the internet into a mainstream creative genre its latest transformation is evident through the increasing convergence of games and film where real time virtual production as a professional creative practice is resulting in new forms of machine generated interactive experiences using the most culturally significant machinima works machine cinema as lenses to trace its history and impacts pioneers in machinima the grassroots of virtual production provides in depth testimony by filmmakers and others involved in its emergence the extensive reference to source materials and interviews bring the story of its impacts up to date through the critical reflections of the early pioneers this book will be of interest to machinima researchers and practitioners including game culture media theorists students of film studies and game studies digital artists and those interested in how creative technologies have influenced communities of practice over time

this book presents a detailed story on each military coup detat that occurred in haiti from february 1986 to september 1991 in fact it describes the political spectrum that reigned in haiti after the departure of president jean claude duvalier the epoch that succeeded the fall of the duvaliers from power was one of the most ambiguous periods in the history of haiti founded by generalissimo jean jacques dessalines the great in 1804 dessalines as general in chief of the haitian indigenous army became the first of the nations heads of state to be overthrown by a military coup detat in october 17 1806 since then most of the nations chiefs of state assumed power through revolutions or coups detat currently the nation experiences 33 coups detat from february 1986 to september 1991 seven coups or attempted coups detat had taken place in haiti that is that period of social and

political instability that is exposed in this book in the post opinions the author speaks briefly about the problematic of the army involvement in coups d'etat in haiti the january 12 2010 earthquake as well as the need for a new haitian armed forces the book is made available to help haitians or foreigners in particular those who are curious about haitis history including observers professors students politicians ordinary people etc everybody should be capable of judging for himself or for herself on the countrys situation during and after the fall of the duvaliers from power in february 1986 by writing this essay the author encourages all haitians that live inside the country or abroad to come to unity that is a powerful tool that can bring haiti to a dramatic turn toward consistent democracy and economic development

god uses people daily to communicate his fragrance and message to us too often we dont check to see what aroma or impression we are leaving for others to see hear or smell after visiting someones home or before checking out of a motel or when moving we double check to make sure we havent left anything behind even criminals check to make sure they havent left any clues at the crime scene to identify them a story reminded me of this a robber thought he had committed the perfect crime he assumed he left no clues behind but he didnt count on someone remembering how he smelled the smell he left behind was what helped convict him yes we leave something everywhere we go stuart holden reminded a young man moving from a boarding house of this fact when the young man said he was just double checking to make sure he wasnt leaving anything behind theres one thing you will leave behind young man your influence

a fundamental and respected resource book in critical care the icu book fourth edition continues to provide the current and practical guidance that have made it the best selling text in critical care the text addresses both the medical and surgical aspects of critical care delivering the guidance needed to ensure sound safe and effective treatment for patients in intensive care regardless of the specialty focus of the unit this version does not include the updates and other functionality included in the tablet version that accompanies the print edition

this unique work from acclaimed author dr paul marino marino s the icu book the little icu book challenges the traditional notion that the human body thrives on oxygen and that promoting tissue oxygenation is necessary for promoting life this concept fails to recognize that oxygen is a destructive molecule that also damages the human body instead of welcoming oxygen the human body limits exposure of the tissues to oxygen and employs an army of chemical antioxidants to combat the damaging effects of oxygen this oxygen protective human design represents a new paradigm for the relationship between oxygen and human survival and it has important implications for the excessive and unregulated use of oxygen in clinical practice

the silent don the criminal underworld of santo trafficante jr exposes the life and ruthless times of one of america s most powerful and feared mob bosses with a criminal empire that stretched from the gulf coast throughout the caribbean trafficante was linked to drug trafficking plots to kill fidel castro and the assassination of jfk scott m deitche scoured court records law enforcement reports newspaper accounts and counted dozens of interviews to find the complete and compelling story of this enigmatic mafioso don
