identity youth and crisis collects erik h erikson s major essays on topics originating in the concept of the adolescent identity crisis identity erikson writes is an unfathomable as it is all pervasive it deals with a process that is located both in the core of the individual and in the core of the communal culture as the culture changes new kinds of identity questions arise erikson comments for example on issues of social protest and changing gender roles that were particular to the 1960s representing two decades of groundbreaking work

the essays are not so much a systematic formulation of theory as an evolving report that is both clinical and theoretical the subjects range from creative confusion in two famous lives the dramatist george bernard shaw and the philosopher william james to the connection between individual struggles and social order race and the wider identity and the controversial womanhood and the inner space are included in the collection

ministry with youth in crisis is a comprehensive treatment of major adolescent crises related to life themes including self identity faith formation family life social relationships sexuality suicide substance abuse and eating disorders the distinctiveness of this book is that it offers a fine blend of solid research workable theory and specific strategies for successfully ministering to and with youth in crisis furthermore it emphasizes the caring and sensitive side of working effectively with adolescents experiencing both normal and extreme crisis situations this volume therefore is both descriptive and prescriptive in nature in that it describes the world teens live in and offers biblical responses for ministry

in this issue of child and adolescent psychiatric clinics guest editors drs kimberly gordon achebe rupinder k legha and michelle p durham bring their considerable expertise to the topic of home and community based services for youth and families in crisis top experts in the field discuss strategies to empower pediatric communities and their families in times of crisis by optimizing community partnership with preventative and crisis response interventions for de escalation and stabilization expanding financial supports for community and home based mental health services promoting community oriented emergency psychiatry and mobile crisis service delivery and promoting local state and federal policy intervention for systems of care that focus on the collective health and well being in environments of children and their families contains 15 relevant practice oriented topics including federal state and local mental health policy interventions in response to the pediatric mental health crisis from the covid pandemic trauma informed response and prevention of mental health crisis in schools using a culturally responsive antiracist and equitable care framework coordinated systems of care approaches for pediatric emergency and crisis stabilization mobile treatment and wraparound services integrating the attachment regulation and competency arc trauma informed framework in inpatient day treatment partial hospitalization residential and community based treatment settings understanding the social and structural determinants for special populations related to suicide prevention in the bipoc and lgbtqi communities and more provides in depth clinical reviews on home and community based services for youth and families in crisis offering actionable insights for clinical practice presents the latest information on this timely focused topic under the leadership of experienced editors in the field authors synthesize and distill the latest research and practice guidelines to create clinically

significant topic based reviews

you've seen it on the news too many times to count school shootings adolescent addictions bullying eating disorders depression and suicide cutting pregnancy there is no lack of bad news to be told about teenagers today maybe you believe that will never happen to my child and maybe it won't but crises aren't always the stories that make the evening news the spectrum of crises an adolescent may face can range from something as seemingly harmless as getting caught cheating on a test to dealing with the breakdown of the family to acting out and getting in trouble with the law and the reality is that someone they know will likely experience some kind of crisis and that can affect your teen significantly either way when a crisis affects your teen wouldn't you want to be prepared rich van pelt and jim hancock both of whom have raised teenagers into adulthood and have spent decades in youth ministry and crisis management bring together their expertise and insight to help you identify and understand what a crisis is and how you can help your teen live and grow through it inside you'll find practical responses for issues like suicidal thoughts or behavior accidents cheating death of a friend or loved one divorce eating disorders hazing pregnancy sexual abuse sexual identity confusion substance abuse or addiction and more in addition to learning appropriate responses to crises you'll learn how to prevent some of these issues and how to get professionals involved when necessary whatever it is your teen is dealing with your influence in their life is still the most important one so be prepared to walk them through their crisis with wisdom compassion and the tools to help them heal

six theologians and eight psychologists from history square off finding both differences and common ground in their thinking on the most basic human needs
