this collection of essays surveys some of the artistic productions by female figures who stood at the forefront of italian modernity in the fields of literature photography and even the theatre in order to explore how artistic engagement in women informed their views on and reactions to the challenges of a changing society and a disinhibiting intellectual landscape however one other objective takes on a central role in this volume that of opening a window on the re definition of the subjectivity of the self that occurred during an intriguing and still not fully studied period of artistic and societal changes in particular the present volume aims to define a female italian modernism which can be seen as complementary and not necessarily in opposition to its male counterpart
