estamos viviendo los últimos tiempos las señales bíblicas que anuncian la segunda venida de cristo se están cumpliendo ante nuestros ojos sin embargo no hay razón para temer porque incluso mientras se cumplen las señales el espíritu santo está atrayendo a creyentes de todo el mundo a morar en el único lugar seguro de la tierra la presencia de dios pero qué es la presencia de dios cómo accedemos a ella cómo sabremos que estamos en ella para responder a estas preguntas y más el líder apostólico mundial guillermo maldonado nos sumerge en las profundidades del salmo 91 a fin de darnos poderosas enseñanzas y activaciones prácticas para ayudarlo a sentir hambre por tener encuentros sobrenaturales con la presencia de dios descubrir las claves para acceder a su presencia entender los peligros de perder la presencia de dios ser libre de fortalezas espirituales y mentales recibir transformación y revelación en un mundo dominado por el miedo es hora de ir en pos de dios de encontrarnos con su presencia y ser portadores de su descanso sobrenatural su paz y la plenitud de su gozo dondequiera que vayamos también disponible en inglés

american literature appears here as more than an offshoot of a single mother country or of many mother countries but rather as the interaction among diverse linguistic and cultural trajectories

the narrative tetralogy of esther tusquets is a daringly innovative series of female novels of development which suggests through narrative structure voice and style a distinctive psychic make up and developmental path for woman drawing on american and french feminist theory this study views the cycle as an unconscious pilgrimage in search of the lost primal mother a quest rendered formally through the circular repetitive pattern of the texts and the musical oneiric prose style which reproduces the endless prolongation and flow of female desire as the texts go over and over the same psychic issues tusquets fictional personae laboriously spiral upwards to ever higher levels of maturity and self knowledge while recording her protagonists struggle to grow and adapt to the world in which they live the narrative also challenges the belief systems of patriarchal society through the inscription of an alternative model which dissolves the barriers among diverse modes of sexuality and affirms love in all its forms as the supreme value of life

ben saenz s vivid imagination captures all that is beautiful agonizing and redemptive in the crossings we make through borders of geography and culture but it is in the interior journeys of the psyche and the soul that we must find salvation saenz s brilliant prose penetrates to that core and he finds and exposes that truth a reader can ask for no more than this to be spellbound by a story and to come to the last page with a sense of having been being changed and allowed to carry something of it away abraham verghese author of my own country from award winning poet benjamin alire sáenz comes a haunting novel depicting the cruelties of cultural displacement and the resilience of those who are left in its aftermath in perfect light

is the story of two strong willed people who are forever altered by a single tragedy after andés segovia s parents are killed in a car accident when he is still a young boy his older brother decides to steal the family away to juárez mexico that decision made with the best intentions sets into motion the unraveling of an american family years later his family destroyed andés is left to make sense of the chaos but he is ill equipped to make sense of his life he begins a dark journey toward self destruction his talent and brilliance brought down by the weight of a burden too frightening and maddening to bear alone the manifestation of this frustration is a singular rage that finds an outlet in a dark and seedy el paso bar leading him improbably to grace delgado recently confronted with her own sense of isolation and mortality grace is an unlikely angel a therapist who agrees to treat andés after he is arrested in the united states the two are suspicious of each other yet they slowly arrive at a tentative working relationship that allows each of them to examine his and her own fragile and damaged past with the urgent unflinching vision of a true storyteller and the precise arresting language of a poet sáenz s in perfect light bears witness to the cruelty of circumstance and more than offering escape the novel offers the possibility of salvation
