frank ching brings to life 900 years of chinese history through his own fascinating family tree beginning with his search for the grave of his first recorded ancestor the 11th century poet qin guan and ending with a moving account of his relationship with his father a victim of china s historic upheaval frank ching introduces a colourful cast of characters his unbroken family line includes among many others a lovelorn concubine a traitor a military hero an imperial ghost writer a minister of punishments and a woman noted for her skills in both verse and martial arts there is scarcely an aspect of chinese life from shamanism to violent rebellion that ching doesn t touch upon in this fascinating work through his vivid and personal portraits of his ancestors the history of china itself unfolds from the days of the ancient empire to its radical transformation today

a gripping account of china s failed attempt at social engineering and its pervasive effects on the chinese people

the present volume professes to give the history of china in a form that is new to the english reader it is not a compilation gathered from all kinds of sources but a reproduction from the original of the standard history of china that work and the writings of confucius and mencius are the only authentic sources from whence the story of the empire can possibly be obtained many writers during the long ages of the past have written the history of their times but they are unreliable and valuable only in so far as they agree with the accounts contained in the above standard work preface
