a history of how the sappers of the pakistan army corps of engineers built the karakoram highway through the rugged terrain of pakistan

over the past two centuries the borderlands of central south and west asia have been transformed from the remote peripheries into areas of intense regional and international interest in roads and rivals mahnaz ispahani explores the crucial but unacknowledged role that land routes

have played in the strategic political and economic evolution of those borderlands

the labyrinthine BRI projects aimed at realizing win-win benefits have created new challenges for the host countries economic aspirations must be shielded and protected by security umbrellas thus making these countries partners of the China dominated security architecture nowhere is this more evident than in the countries of Sri Lanka and Pakistan despite Southeast Asian nations being viewed as within the ambit of China's historical sphere of influence Myanmar and Thailand provide experiences different from their neighbours this book analyzes China as an economic juggernaut undergirded by global ambitions expanding its economic footprint across South and Southeast Asia through trade technological supremacy and territorial acquisitions the authors also navigate China's policies at home and abroad providing a futuristic perspective on China's path to victory the book provides answers to compelling questions as

this book Karakoram is the story of three great empires that eventually clashed amongst the most rugged mountains of the world the Pamirs the Tien Shan and the Karakoram the Russian bear the British lion and the Chinese dragon were the three great adversarial animals that dominated Asia in the late 19th century this was the Great Game a chess game of historical intrigue the modern Karakoram Highway between Pakistan and China is the final twist in the story the Highway of History for today's travellers the region is a vast melting pot of people cultures scenery and excitement but what will be the scenario for the travellers of tomorrow will they be forced by security issues and deadly bureaucracy to see the world only through computerised screen images divorced from reality or will they too be able to journey across lands of different cultures admiring the jewels of nature perhaps despite the contradictions of modern mankind they will experience the touches of kindness that people everywhere are still eager to show to a stranger this book tells more than a story it is an historical amalgam laced with travellers tales of Asia over 40 years illustrated with a vivid collection of nearly 200 photographs

this book explains in great detail and exceptional clarity the issues related to the Rapture of the Church the government of the Antichrist the Great Tribulation and all the apocalyptic judgments that God will pour out upon the world in the latter days the Rapture of the Church will bring about the global collapse of the economic political and religious institutions around the world humanity will look for a leader who can put the

world back together offer them peace and security so by popular acclamation the world will host a false prince of peace the bible calls the antichrist he will elate the masses by telling them what they want to hear the antichrist will push humanity to the deepest levels of degradation vice immorality crime war violence and rebellion against god he will corrupt the social and moral order and as a result billions of people will die he will plunge the world into spiritual darkness and lead humanity astray we cannot begin to imagine the horror and the endless suffering humanity will experience through the chaos wrought by the antichrist the bible says that the antichrist s empire shall devour the whole earth trample it and break it in pieces daniel 7 23 in reference to this dreadful period of human suffering the lord jesus said for then there will be great tribulation such as has not been since the beginning of the world until this time no nor ever shall matthew 24 21 this will be a period characterized by widespread wars which will bring death to billions of people during this period 25 and 33 percent of the world population will die in two major wars if these two conflicts were to take place in our time 3 56 billion of the world population would die
