from automatons to zombies many elements of fantasy and science fiction have been cross pollinated with the western movie genre in its second edition this encyclopedia of the weird western includes many new entries covering film television animation novels pulp fiction short stories comic books graphic novels and video and role playing games categories include weird weird menace science fiction space steampunk and romance westerns

in works by filmmakers from bertolucci to spielberg debauched images of nazi and fascist eroticism symbols of violence and immorality often bear an uncanny resemblance to the images and symbols once used by the fascists themselves to demarcate racial sexual and political others this book exposes the madness inherent in such a course which attests to the impossibility of disengaging visual and rhetorical constructions from political ideological and moral codes kriss ravetto argues that contemporary discourses using such devices actually continue unacknowledged rhetorical moral and visual analogies of the past against postwar fictional and historical accounts of world war ii in which generic images of evil characterize the nazi and the fascist ravetto sets the more complex approach of such filmmakers as pier paolo pasolini liliana cavani and lina wertmuller her book asks us to think deeply about what it means to say that we have conquered fascism when the aesthetics of fascism still describe and determine how we look at political figures and global events book jacket

during the first half of this century motion pictures were often considered disposable once their circulations were over the recycling of used film and the use of components for war efforts contributed to the loss of many movies as did the unstable nature of the nitrate film itself the loss of extant works has created gaps in the national cinematic history of the united states and most european countries eighty percent of all western made films produced before world war i are considered lost while 15 percent of the films made from 1930 to 1950 are also missing here are descriptions of nearly 1 000 of the lost american and european films produced between 1900 and 1950 featuring the talents of the still famous as well as the now

obscure the films are arranged by country and reveal the remarkably prolific early filmmaking in countries like the netherlands and sweden each entry includes production information cast synopsis history and insights from reviews when available photographs from these films provide glimpses of what once was an extensive index is included
