this book aims to expand our understanding of the role of institutions norms and key players in shaping the evolution of child rights in india it traces the evolution of the child rights discourse in post independence india suggesting that there are different and political ways of thinking about childhoods divided into three parts the book

begins with analyses of the effects of partition which while creating new political and cultural identities framed the child state relationship the second part further examines the ways in which the multiplicity of discourses during the nationalist struggle gave way to a singular view seen in later public conversations on children and their rights the third part explores the narratives of continuity and change and maps the departures of memory history and identity the book emphasizes the point that more than any other event or process the violence and fears aroused by partition have influenced the course of modern child development related policymaking the relationship between the political and cultural identities of all the actors who influenced the experience of childhoods had also been deeply affected by these events

in 2015 the united nations decided to establish the goal of achieving zero hunger in the world by 2030 through outcome targets such as eliminating hunger and improving access to food ending all forms of malnutrition promoting sustainable and resilient agriculture and maintaining genetic diversity in food production as a result of this decision strategies are under way in different countries around the world in the form of political academic development and non governmental organization projects and programs five years later these strategies have certainly generated results that need to be documented and analyzed so as to answer the following questions what are the progress and success stories in terms of policies innovations technologies and approaches to reach the zero hunger goal what are the constraints and mitigation strategies are we really in a phase of transition towards the zero hunger goal what new directions do we need to consider to achieve this goal particularly in the context of covid 19 pandemic which affects all sectors of development around the world transitioning to zero hunger is part of mdpi s new open access book series transitioning to sustainability with this series mdpi pursues environmentally and socially relevant research which contributes to efforts toward a sustainable world transitioning to sustainability aims to add to the conversation about regional and global sustainable development according to the 17 sdgs the book series is intended to reach beyond disciplinary even academic boundaries

india has a long standing tradition of dispute resolution through arbitration with arbitral type regulations going back to the eighteenth century today amendments to the 1996 indian arbitration act a steady evolution of case law and new arbitral institutions position india s vibrant system once more at the forefront of international commercial dispute resolution in this handbook over forty members of the international arbitration community in india and beyond offer authoritative perspectives and insights into topics on arbitration that matter in india international arbitration practitioners indian practitioners and scholars have combined efforts to produce a practical and informative guide on the subject among numerous notable features the contributors provide detailed analysis and description of such aspects of arbitration as the following with a focus on the indian context indian application of the 1958 new york convention law governing the merits of the dispute and awards investor state dispute settlement drafting arbitration clauses for india centric agreements managing costs and time rise of virtual arbitration and technology effect of public policy in light of extensive indian jurisprudence and arbitration of claims relating to environmental damage practical features include checklists for drafting arbitration clauses and a comparative chart of major commercial arbitration rules applicable to india also included is a comparative analysis of arbitral regimes in india singapore and england chapters on the india model bilateral investment treaty and isds reforms a special section on the enforcement of foreign awards a section on the drafting of the award guided by leading arbitrators and stakeholders and a review of the new 2021 icc rules for foreign counsel and arbitrators with arbitrations in india
