british films of the 1960s are undervalued their search for realism has often been dismissed as drabness and their more frivolous efforts can now appear just  
empty headed robert murphy s *sixties british cinema* is the first study to challenge this view he shows that the realist tradition of the late 50s and early 60s was  
anything but dreary and depressing and gave birth to a clutch of films remarkable for their confidence and vitality *saturday night and sunday morning* a kind of  
loving and a taste of honey are only the better known titles *sixties british cinema* revalues key genres of the period horror crime and comedy and takes a fresh  
look at the swinging london films finding disturbing undertones that reflect the cultural changes of the decade now that our cinematic past is constantly recycled on  
television murphy s informative engaging and perceptive review of these films and their cultural and industrial context offers an invaluable guide to this neglected  
era of british cinema
