to say anything about the relevance of indian polity governance in civil service s examination would be like stating the obvious however change is the only constant thing in this ephemeral world of ours and so it is with upsc and the pattern of civil services examination the present status of gs can be best summed

up by quoting charles dickens when he wrote that it was the best of times it was the worst of times while on one hand sweeping changes in the pattern of questioning and less than kind marking in all papers including optional has shaken the confidence of the most ardent of its advocates on the other hand however the indelible presence of a substantial portion of indian polity in all papers has proved it beyond doubt that you can love it or hate it but you can never be indifferent towards it this edition presents the dynamic aspect of indian polity the living breathing ever changing ever challenging democratic environment which is as complex as elusive and as mind boggling as the realities of india itself democracy one can say is the arena where the various theories and principles wrestle grapple and jostle with each other to prove their pertinence and justify their existence this book has been done in an equally diligent and devoted manner for revealing the complexities while retaining the simplicity of the subject in hand i hope the present work will prove to be a fascinating informative and enriching read for both students and casual but curious readers alike

this important volume advocates a pro poor growth strategy where the poor also participate directly as subjects in development the contributors maintain that a critical element in this process is social mobilization where organizations of the poor work in partnership with a restructured state and a socially responsible private sector they see a new political space for this in the current attempts at decentralization which are also aimed at developing power to the people to illustrate these possibilities the volume presents six case studies from india pakistan sri lanka nepal and bangladesh together they show how new social movements and organizations of the poor are converging with efforts to decentralize and to share power at the local level this volume breaks new ground by investigating in depth the three important agendas of governance decentralization devolution and poverty eradication and by highlighting how they can be coordinated to fashion a genuinely pro poor macro micro development strategy
