for the past quarter century on his kentucky farm wendell berry has lived out in practice the beliefs that have informed his writing both as a polemical ecologist and an admired stylist in prose and poetry his writings over twenty five titles currently in print include powerful and influential essays poem meditations and the sequence of four novels and a collection of short stories set in the fictional kentucky community of port william this volume the fourth in the confluence american authors series and the first full length study of wendell berry addresses both the diversity and unusual coherence of this classic body of work back cover

a sequence of poems in which berry writes of the land he and his wife hold in trust a farm they have tended for years and a new homestead they recently rescued from ecological disaster

he is unlike anybody else writing today after donald trump s election we urgently need to rediscover the best of radical america an essential part of that story is wendell berry few of us can live or even aspire to his kind of life but nobody can risk ignoring him andrew marr wendell berry is the most important writer and thinker that you have probably never heard of he is an american sage james rebanks author of the shepherd s life wendell berry is something of an anachronism he began his life as the old times and the last of the old time people were dying out and continues to this day in the old ways a team of work horses and a pencil are his preferred working tools the writings gathered in the world ending fire are the unique product of a life spent farming the fields of rural kentucky with mules and horses and of the rich intimate knowledge of the land cultivated by this work these are essays written in defiance of the false call to progress and in defence of the local landscapes that provide our cultural heritage our history our home in a time when our relationship to the natural world is ruled by the violence and greed of unbridled consumerism wendell berry speaks out to defend the land we live on

with grace and conviction he shows that we simply cannot afford to succumb to the mass produced madness that drives our global economy the natural world will not withstand it yet he also shares with us a vision of consolation and of hope we may be locked in an uneven struggle but we can and must begin to treat our land our neighbours and ourselves with respect and care we must as berry urges abandon arrogance and stand in awe

this poetry collection about nature community and tradition is a stunning primer on the poetic works of the award winning kentucky writer environmentalist and cultural critic the selected poems of wendell berry gathers one hundred poems written between 1957 and 1996 chosen by the author these pieces have been selected from each of nine previously published collections the rich work in this volume reflects the development of berry s poetic sensibility over four decades focusing on themes that have occupied his work for years land and nature family and community tradition as the groundwork for life and culture the selected poems of wendell berry celebrates the broad range of this vital and transforming poet

tom pohrt spent years gathering poems by wendell berry that he thought children might read and appreciate making sketches to accompany his selection terrapin is the result a volume of twenty one poems with dozens of sketches drawings and watercolors in full color we have not only a volume of staggering beauty but a consummate example of the collaborative effort that is fine bookmaking the perfect gift for children grandchildren or anyone who remains a lover of the book as physical object

the sanity and eloquence of these poems spring from the land in kentucky where wendell berry was born married lives farms and writes from classic pastoral themes both lyrical and reflective to a verse play to a dramatic narrative and the manic entertaining prescient ravings of berry s mad farmer these poems show a unity of language and consciousness skill and sensitivity that has placed wendell berry at the front rank of contemporary american poets

in this wendell berry s fifth novel and ninth work of fiction andy catlett revisits his own ninth year in the summer of 1944 when his beloved uncle is shot and killed by the surly and mysterious carp harmon this is his uncle andrew after whom the boy is named someone who savored company talk some kind of to do something to laugh at years later still possessed by the story andy seeks to get to the bottom of all this to understand the two men and their lethal connection berry deftly balances andy s investigation into the town s past with an equally moving realization not only of the sustaining value of memory but of the manner in which they are shaped in enduring ways by what they love a sharp portrait of a town nursing its secrets over decades kirkus reviews

published in 1990 by gnomon press this volume combines two small books of poetry by wendell berry both with expanded texts in sayings and doings the inner lives of the country people berry knows so well surface in sayings stories reminiscences and a number of jocular dialogues many are expressions we hear and often mean to remember but when we start to retell them find that we have forgotten the exact wording without which they lose their effectiveness here the poet remembers well one can hear as one reads and the rural speech has been whittled so that not a syllable is wasted the condensed nature of sayings and doings is mirrored in the asian influence of an eastward look which includes haiku the journal like sequence a long journey and a small notebook and the masterful chinese painting poems for those familiar with many

other collections of berry's poems this volume will acquaint them with other facets of his work until now too little known

poems espousing marriage responsibility and the values of an independent man with his own small farm

a striking contribution to the conversation that is conservatism wendell berry poet novelist essayist critic farmer has won the admiration of americans from all walks of life and from across the political spectrum his writings treat an extraordinary range of subjects including politics economics ecology farming work marriage religion and education but as this enlightening new book shows such diverse writings are united by a humane vision that finds its inspiration in the great moral and literary tradition of the west in the humane vision of wendell berry mark t mitchell and nathan schlueter bring together a distinguished roster of writers to critically engage berry's ideas the volume features original contributions from rod dreher anthony esolen allan carlson richard gamble jason peters anne husted burleigh patrick j deneen caleb stegall luke schlueter matt bonzo michael stevens d g hart mark shiffman and william edmund fahey as well as a classic piece by wallace stegner together these authors situation berry's ideas within the larger context of conservative thought his vision stands for reality in all its facets and against all reductive isms for intellect against intellectualism individuality against individualism community against communitarianism liberty against libertarianism wendell berry calls his readers to live lives of gratitude responsibility friendship and love notions that as this important new book makes clear should be at the heart of a thoughtful and coherent conservatism

a stunning collection of poems and other writings on love nature spirituality and hope from the award winning kentucky writer who returned american poetry to a wordsworthian clarity of purpose new york times book review no one writes like wendell berry whether essay novel story or poem his inimitable voice rings true as natural as the land he has farmed in kentucky for over forty years following the widely praised given this new collection offers a masterful blend of epigrams elegies lyrics and letters with the occasional short love poem alternately amused outraged and resigned berry's welcome voice is the constant in this varied mix the book concludes with a new sequence of sabbath poems works that have spawned from berry's sunday morning walks of meditation and observation berry's themes are reflections of his life friends family the farm the nature around us as well as within he speaks strongly for himself and sometimes for the lost heart of the country as he has borne witness to the world for eight decades what he offers us now in this collection of poems is of incomparable value

a portrait of one of america's most profound and honest thinkers this book combines biographical sketches personal accounts literary criticism and social commentary to illuminate berry as he is a complex man of place and community with a depth of domestic intellectual filial and fraternal attributes

whether we know it or not whether we want to be or not we are members of one another since 1960 wendell berry b 1934 has produced one of the most substantial and consistently thematic bodies of work of any modern american writer in more than fifty books in various genres novels short stories poems and essays he has celebrated a life lived in close communion with neighbors and the earth and has addressed many of our most urgent cultural maladies his collections of essays urge us to think and act responsibly as members of a community both human and natural volumes of his poems

seek to wed us to nature and realign our vision with its mysteries his growing port
william cycle of novels offers us a fictional model for understanding for compassion and
for living in constant regard for others conversations with wendell berry gathers for the
first time interviews with the writer ranging from 1973 to 2006 including one never
before published for readers acquainted with berry s work this volume offers insights
available nowhere else it reveals succinctly the main currents of his life s work what
emerges is a citizen writer profoundly affected by cultural crises at home and in the
world morris allen grubbs directs the preparing future faculty program in the graduate
school at university of kentucky where he was a student of berry s he is editor of home
and beyond an anthology of kentucky short stories photograph wendell berry by pam
spaulding courtesy cjb

this volume contains a collection of stories by wendell berry the titles featured include
the wild birds 1985 fidelity 1992 and watch with me 1994

stern but compassionate author wendell berry raises broader issues that
environmentalists rarely focus on in one sense berry is the voice of a rural agrarian
tradition that stretches from rural kentucky back to the origins of human civilization but
his insights are universal because our only world is filled with beautiful compassionate
writing and careful profound thinking associated press the planet s environmental
problems respect no national boundaries from soil erosion and population displacement
to climate change and failed energy policies american governing classes are paid by
corporations to pretend that debate is the only democratic necessity and that solutions
are capable of withstanding endless delay late capitalism goes about its business of
finishing off the planet and we citizens are left with a shell of what was once proudly
described as the american dream in this collection of eleven essays berry confronts
head on the necessity of clear thinking and direct action never one to ignore the
present challenge he understands that only clearly stated questions support the
understanding their answers require for more than fifty years we ve had no better
spokesman and no more eloquent advocate for the planet for our families and for the
future of our children and ourselves
