this insightful volume presents important new findings about parenting and parent child relationships in ethnic and racial minority immigrant families prominent scholars in diverse fields focus on families from a wide range of ethnicities settling in canada china israel italy the netherlands and the united states each chapter discusses parenting and parent child relationships in a broader cultural context presenting within group and cross cultural data that provide readers with a rich understanding of parental values beliefs and practices that influence children s developmental outcomes in a new country for example topics of investigation include cultural variation in the role of fathers parenting of young children across cultures the socialization of academic and emotional development as well as the interrelationships among stress acculturation processes and parent child relationship dynamics this timely reference explores immigration and families from a global multidisciplinary perspective focuses on immigrant children and youth in the family context challenges long held assumptions about parenting and immigrant families bridges the knowledge gap between immigrant and non immigrant family studies describes innovative methodologies for studying immigrant family relationships and establishes the relevance of these data to the wider family literature parental roles and relationships in immigrant families is not only useful to researchers and to family therapists and social workers attending to immigrant families but also highly informative for persons interested in shaping immigration policy at the local national and global levels

shared parenting offers a collaborative approach to raising children focusing on creating equitable roles and responsibilities between parents this book provides strategies for fostering teamwork mutual respect and communication in parenting ensuring that both partners share the load in a balanced supportive way learn how to divide parenting tasks fairly align your parenting styles and create a positive family dynamic where both parents actively contribute to their child s well being through practical advice and actionable tools shared parenting helps you build a partnership that promotes healthy family relationships and ensures that both parents play an active role in raising their children

children with incarcerated parents are at risk for a variety of problematic outcomes yet research has rarely examined protective factors or resilience processes that might mitigate such risk in this population in this volume we present findings from fi ve new studies that focus on child or family level resilience processes in children with parents currently or recently incarcerated in jail or prison in the fi rst study empathic responding is examined as a protective factor against aggressive peer relations for 210 elementary school age children of incarcerated parents the second study further examines socially aggressive behaviors with peers with a focus on teasing and bullying in a sample of 61 children of incarcerated mothers emotion regulation is examined as a possible protective factor the third study contrasts children s placement with maternal grandmothers versus other caregivers

in a sample of 138 mothers incarcerated in a medium security state prison the relation between a history of positive attachments between mothers and grandmothers and the current cocaregiving alliance are of particular interest the fourth study examines coparenting communication in depth on the basis of observations of 13 families with young children whose mothers were recently released from jail finally in the fifth study the proximal impacts of a parent management training intervention on individual functioning and family relationships are investigated in a diverse sample of 359 imprisoned mothers and fathers taken together these studies further our understanding of resilience processes in children of incarcerated parents and their families and set the groundwork for further research on child development and family resilience within the context of parental involvement in the criminal justice system

v 1 children and parenting v 2 biology and ecology of parenting v 3 status and social conditions of parenting v 4 applied and practical parenting

examines the judicial philosophy of supreme court justice anthony m kennedy who has been the critical swing vote on the court for the last 20 years

master s thesis from the year 2017 in the subject pedagogy nursery pedagogy early childhood education kenyatta university course early childhood studies language english abstract the purpose of this study was to investigate the role of parents in the provision of play and learning materials to children with various physical challenges in the early childhood in a primary school for the physically challenged the study established the role of parents and factors influencing their support in provision of play and learning materials in early childhood education play and learning are inseparable and they stimulate one another there are dimensions of play in learning and dimension of play in learning several studies have proved that play especially during early years promotes learning and holistic development however play and learning for a child with physical challenges is not effortless a lot should be done by stakeholders involved in provision of play and learning materials studies by kamere 2004 kimosop 2002 and wamocho 2003 reveal that special schools do not have adequate play and learning materials however they did not investigate factors behind the inadequacies from parents point of view hence the need for the current study government parents and other stakeholders have tried their best to cater for educational needs of children with physical challenges but the inadequacies persist therefore the study sought to establish role of parents in the provision of play and learning materials and the challenges they experience in provision of play and learning materials which are of key importance to these children also the study established activities that children engage in with play and learning materials provided to them
