jae dee is only three years old when she s abandoned by her parents into an all girls orphanage and raised by catholic nuns a curious cheeky intelligent and sometimes defiant child she s forced to adapt to a life of abandonment loss and grief in jae dee survives the home of many mothers she tells of her life experiences from the voice of her inner child until she grows older and strong enough to express her life in a more mature and perceptively insightful manner a fictional story inspired by real life events jae dee shares her feelings of anxiety loneliness and chronic bed wetting that stem from her abandonment neglect and abuse jae dee s parents suffered from alcoholism and drug abuse as well as financial and social poverty but when her parents relinquish her jae dee is raised by sister grace a catholic sister of mercy and surrogate mother from hell whose hatred and inability to demonstrate compassion or nurturing toward her wards is strongly depicted in her strong and sadistic character jae dee calls attention to the effects of this childhood trauma and she shares how she developed skills to overcome those challenges in addition jae dee survives the home of many mothers captures the cultural history of post war families and offers reflections of the south australian social

welfare system during the 1950s to mid 1960s jae dee collier writes with searing honesty and ironic humour jae dee survives the home of many mothers takes the reader into the trauma of her early childhood experience of life at an adelaide orphanage in the 1950s and 60s vividly and skillfully told through a child s eyes this beautiful and tragic story of vulnerability abuse and hope needs to be told and everyone needs to read it dr paul williams program leader creative writing university of the sunshine coast

how do children s books represent the holocaust how do such books negotiate the tension between the desire to protect children and the commitment to tell children the truth about the world if holocaust representations in children s books respect the narrative conventions of hope and happy endings how do they differ if at all from popular representations intended for adult audiences and where does innocence lie if the children s fable of roberto benigni s life is beautiful is marketed for adults and far more troubling survivor memoirs such as anita lobel s no pretty pictures a child of war are marketed for children how should holocaust studies integrate discourse about children s literature into its discussions in approaching these and other questions kertzner uses the lens of children s literature to problematize the ways in which various adult discourses represent the holocaust and continually challenges the conventional belief that children s literature is the place for easy answers and optimistic lessons

i survived my childhood yes miracles still happen a guide for parents of accident prone children by stephen l franklin ed d claiming simply to be a mischievous child as this author grew up he managed to get himself into enough mischief to fill a book with hilarious delightful tales of childhood intrigue i survived my childhood yes miracles still happen is a memoir that highlights the many adventures and mishaps experienced as an accident prone child growing up in the 60s and 70s included at the end of each chapter are parental tips based upon the author s education and experiences the author hopes that by sharing these memories and tips he provides humor as well as insights into the mind of an accident prone child along with nuggets of wisdom to aid parents as they contend with the various emergencies associated with raising an accident prone child

this is an autobiography written by an average person living an extraordinary life jacquelyn tells this story in a very unique and compelling style of writing which leaves the reader unable to put the book down as they wonder then what happens it is an amazing tale of survival as jacquelyn moves heaven and earth in an unbelievable battle for her freedom to actually become free she almost loses her life and must sacrifice all she has this is a story of a mother s unconditional love for her children the children she is willing to die to protect as she overcomes the chains that bind her it is a tale of hope and leaves the reader with a deep appreciation for their own journey and a new found inspiration for living the story is made all the more powerful by the legal evidence she has provided in the book to support her claims this evidence has been fully admitted to in court and is now a matter of public record the recorded evidence is chilling as it gives a rare insight into the mind of a monster as it is written in his very own hand writing on his business letter head jacquelyn also offers a detailed insight into the systems that she and many others have had to navigate through this book may help to change some of the laws surrounding these issues powerfully moving deeply engaging and written with raw honesty this book is well worth the read this book will be marketed to the millions of people screaming for change awareness and insight to bring safety and justice to our world keywords psychopath sociopath australia freedom abuse legal psychology forensic mental illness

the voices of indigenous women world wide have long been silenced by colonial oppression and institutions of patriarchal dominance recent generations of powerful indigenous women have begun speaking out so that their positions of respect within their families and communities might be reclaimed the book explores issues surrounding and impacting indigenous mothering family and community in a variety of contexts internationally the book addresses diverse subjects including child welfare indigenous mothering in curriculum mothers and traditional foods intergenerational mothering in the wake of residential schooling mothering and hiv urban indigenous mothering mothers working the sex trade adoptive and other mothers indigenous midwifery and more in addressing these diverse subjects and peoples living in north america central america sub saharan africa the philippines and oceania the authors provide a forum to understand the shared interests of indigenous women across the globe

the nfl legend reveals how his christian faith family values and drive to succeed helped him realize his dreams in this inspiring sports memoir tim tebow tells the story of his long and difficult path to becoming a quarterback a path that at every stage was blocked by coaches telling him he d never make it yet despite the critics he believed not just in himself but in the plan god had laid out for him and time after time his determination and dedication proved his detractors wrong in through my eyes he takes readers from his first week of pop warner practice to his record setting career at university of florida to his rookie season in denver tebow goes inside the huddle on his biggest wins and most frustrating losses showing how his triumphs and defeats helped him grown as a leader as a person and as a follower of jesus christ what emerges is a captivating portrait of a man whose passions demand the best from teammates whose words inspire faith in others and whose heart leaves everything on the field

this book represents a major contribution toward the development of a global feminist theology the personal histories and experiences of women of african asian anglo american and latin american heritage recounted here make it possible to analyze the social and historical contexts of their christian faith their insights into the lives of those who have been oppressed or excluded in the third world or in the united states clear the way for understanding the partnership of men and women everywhere

richard lukas presents the eyewitness accounts of these and other polish christians who suffered at the hands of the germans they bear witness to unspeakable horrors endured by those who were tortured forced into slavery shipped off to concentration camps and even subjected to medical experiments their stories provide a somber reminder that non jewish poles were just as likely as jews to suffer at the hands of the nazis who viewed them with nearly equal contempt

my mother s breast focuses on the unique psychological needs of women who must deal with the pain and devastation of their mother s illness while repressing their fears for their own health by sharing stories of strength and courage this book provides long overdue support for the loved ones of breast cancer patients

raising a teenage girl can be frightening and overwhelming for the most important female figure in her life her mother to provide the community that these women so desperately crave

as well as guidance solace inspiration and hope dellasega has written a book of profound wisdom and compassion
