answers three urgent questions that all philosophers face how do philosophy and the history of philosophy relate how should philosophers generally approach the history of philosophy and what reasons should philosophers who are not historians of philosophy study the history of philosophy

ideologies have not been a focus of interest in the field of humanities and social sciences in recent decades but rethinking the power of ideologies in the media sphere has recently returned to the scholarly discussion the compilation book mediated ideologies nordic views on the history of the press and media cultures participates in this by providing selected yet justified approaches to media history from the point of view of ideological uses of media in the nordic region in this book the role of media comprising both popular media and news journalism as a forum for ideologies and their circulation will be analyzed by focusing on the nordic region the perceived similarities in the media systems of the nordic countries constitute a perfect extent for a regional media history against not only a european but also a global backdrop this does not mean that there have not been many national differences the book does not provide a chronological narrative of nordic media history still the ideology of media is approached not only from the standpoints of different media forms film television newspapers magazines and periodicals but also from several historical periods from the mid 19th century to the late 20th century the chapters show the multidimensional role that the media has in transmitting ideologies to their audiences and the public sphere they also demonstrate that analyzing the role of different ideologies such as modernization nationalism solidarity feminism and peace movement in media history provides wider perspectives in understanding past and present media landscapes and people s mediated experiences that are fostered by them mediated ideologies nordic views on the history of the press and media cultures can be used both as a reference book and as a classroom adaption in the field of media communication and history studies

this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1922 edition excerpt section i introduction chapter i definition and scope of history until recently history itself has lacked historians there have been histories of almost everything else under the sun of literature philosophy the arts and sciences and above all of politics but until the last few years with the exception of a few works for students the story of history has remained unwritten clio though the oldest of the muses has been busy recording the past of others but has neglected her own and apparently her readers have seldom inquired of her about

it for even yet the phrase history of history conveys but little meaning to most people's minds seeming to suggest some superfluous academic problem for which a busy world should afford no time rather than what it really is that part of the human story which one should master first if one would ever learn to judge the value of the rest the prime reason for this state of affairs is probably that which has just been hinted at *clio* was a muse history has generally been regarded as a branch of literature historians have been treated as masters of style or of the creative imagination to be ranked alongside poets or dramatists rather than simply as historians with an art and science of their own *thucydides* has been read for his greek *livy* for his latin *carlyle* ranks in book lists with the word painter *ruskin* now and again historical criticisms of the great masters have appeared and scholarly studies of limited fields but so long as history could be viewed as primarily a part of literature its own history could not be written for the recovery of the past is a science as well as an art the history of history therefore had to await the rise of scientific historical

contains its proceedings
