in this imaginative retelling of pride and prejudice amanda grange now tells the classic story through the eyes of its compelling romantic hero fitzwilliam darcy in a series of revealing letters that casts a sparkling new reflection on the manners and morals of the landed gentry in 19th century england here for the first time are the letters written by the exceedingly proud and stubborn mr darcy covering the life changing events that defined him from the death of his father to his control of his derbyshire estate of pemberley to his conflicted courtship with the lively intelligent and delightfully willful elizabeth bennet try as he may he cannot deny his attraction to this woman with fine eyes a playful spirit a mind of her own and an embarrassing family that is frankly and utterly beneath him but it is elizabeth who controls both their destinies and whose surprises will change darcy's life yet again

sharon lathan presents mr mrs fitzwilliam darcy a fascinating portrait of a timeless consuming love and the sweetest most romantic jane austen sequel it's darcy and elizabeth's wedding day and the journey is just beginning as jane austen's beloved pride

the year is 1832 and regrets beleaguer fitzwilliam darcy all he ever cared for has been taken from him his pride his sister and his true love elizabeth bennet now having nearly murdered a man in a fit of rage he might lose Pemberley too more than just his home his very identity is at stake in desperation he seeks the help of dr frederick wilson owner and proprietor of ramsey house a madhouse for fine ladies and gentlemen is darcy's confinement the inevitable end to his tortured descent or will he rediscover what he lost in the most unlikely of places

audacious and masterful true to austen's spirit ann herendeen has given us a compelling and sexual novel of manners pamela regis author of *A Natural History of the Romance Novel* ann herendeen's *Pride Prejudice: A Novel of Mr Darcy Elizabeth Bennett and Their Other Loves* revisits the classic jane austen work to fill in the gaps that the original left unexplained and unexplored ingenious brazen and unrelentingly entertaining yet always appreciative and respectful of one of the world's most beloved literary works this masterful reinvention by the acclaimed author of *Phyllida* and *The Brotherhood of Philander* is truly a *Pride and Prejudice* for the 21st century

mr darcy is a rather reserved and gentle duck with all the qualities of an english aristocrat he likes to tip his hat and say good morning and he would never want to bother anybody he lives alone on the edge of pemberley park and keeps himself to himself unfortunately his life is a little lonely one day he receives an invitation from lizzie and her sisters for tea but declines he would never go to the ordinary park where they live over the next few days certain events change mr darcy and he realizes that it s okay to let his friends know he needs some help and perhaps it s rather nice to be loved after all a delightful introduction to some of jane austen s most famous characters with stunning watercolors from award winning illustrator peter carnavas

from the author of mr darcy s daughters the delightful escapades of the darcy family continue with an enchanting story set at pride and prejudice s pemberley when phoebe a young niece of pride and prejudice s mr darcy is shattered by an unhappy romance she retreats to pemberley and is joined by kindhearted louisa bingley unmarried after three london seasons once the young ladies are situated in the house several handsome strangers also arrive all hopeful of winning the girls hearts as preparations for the ball which mr and mrs darcy are to give at pemberley gain momentum mischief and love triangles abound making life as difficult as possible for anyone connected with the darcy family populated with authentic characters firmly rooted in jane austen s mores and stylistic traditions mr darcy s dream has an unforgettable combination of romance societal scandals friendship family and marriage

what readers are saying whoa darcy some parts are hilarious and some a walk on the wild side for austen characters curl up and enjoy tells the tale i always wanted to hear how the darcys lived happily ever after the only fault i found with this book was that it ended every woman wants to be elizabeth bennet darcy beautiful gracious universally admired strong daring and outspoken a thoroughly modern woman in crinolines and every woman will fall madly in love with mr darcy tall dark and handsome a nobleman and a heartthrob whose virility is matched only by his utter devotion to his wife their passion is consuming and idyllic essentially they can t keep their hands off each other through a sweeping tale of adventure and misadventure human folly and numerous mysteries of parentage hold on to your bonnets this sexy epic hilarious poignant and romantic sequel to pride and prejudice goes far beyond jane austen

pride and prejudice continues georgiana darcy grows up and goes in pursuit of happiness and true love much to her big brother s consternation a whole new side of mr darcy he s the best big brother generous to a fault protective never teases but over his dead body is any rogue or fortune hunter going to get near his little sister unfortunately any gentleman who wants to court georgiana is going to have the same problem so how s a girl ever going to meet the gentleman of her dreams

mr darcy is the steward of a grand estate elizabeth bennet is a lowly housemaid it s p p

but all the characters are servants below stairs all elizabeth bennet wants is to escape the housemaid position in the refuge of donwell abbey seems to be the answer to all her prayers she finds an immediate friend in fellow housemaid jane langley and she respects the housekeeper mrs charlotte lucas certainly the steward mr darcy is haughty and proper and thinks she s not handsome enough to tempt anyone but he s easily avoided soon however elizabeth must dodge the advances of the butler mr collins who has determined making her his wife will greatly increase his happiness and the jealousy of fellow housemaid caroline bingley and if that weren t bad enough a dark man from her past lurks outside on the grounds ready to destroy her new life mr wickham knows all her secrets and he can crush her if so decides dear reader this variation places all the characters we know and love as servants in donwell abbey yes mr knightley s donwell abbey this timeline takes place after the events in emma and features the happily married couple and a cantankerous mr woodhouse i wanted everyone to read it so i did my very best to keep it clean and i mostly succeeded mostly mostly but you know me so there are some innuendos however i could not help but write a bonus steamy wedding night scene at the very end of the book for my spice loving jaff aficionados enjoy

one island one murder one bed miss elizabeth bennet refused mr fitzwilliam darcy s proposal months ago but he s just announced that they re married admittedly they are in a strange situation they re stuck on a small island off the coast of brighton and they ve just been discovered standing over the dead body of mr george wickham neither of them killed him of course but one of the other six occupants on this island did and now they are all trapped there for four days until a ferry comes elizabeth is glad enough to be granted mr darcy s protection she is a woman alone unchaperoned due to a series of unfortunate events and being thought his wife does make things easier for her until they learn that there is only one room in the inn on the island for them with one bed dear reader this variation could not be termed precisely clean but i assure wary readers that the romantic tension is far more prevalent than the er action though this variation has a body count i believe it s one of my lighter offerings i hope it s enjoyable

when elizabeth bennet meets mr fitzwilliam darcy she learns he is engaged to be married to miss caroline bingley he seems devoted to his bride to be quite attentive to her comfort and always willing to escort her to bed when she falls asleep early in the evenings as she is wont to do they are to be married in something of a rush it seems as soon as the banns are read which is why it s monstrous that mr darcy looks at elizabeth in that way that he looks at her sometimes or that elizabeth feels an odd stirring towards him positively monstrous beneath them both and there is nothing for it after all once a gentleman gives his promise to a woman he cannot break an engagement it s against all codes of honor to do so otherwise mr darcy will marry miss bingley and there s no reason for elizabeth to think it could ever be otherwise dear reader this story features a good mr wickham and a sympathetic caroline obviously caroline doesn t actually marry mr darcy but read this if you d like to see just how badly they re entangled how we end up with caroline happily

ever after with colonel fitzwilliam and how we get our dear couple sorted take note that there is content that may be objectionable to some readers including nonconsensual activity violence and detailed lovemaking scenes

after miss elizabeth bennet s father is swindled in an investment opportunity the family finds themselves in dire straits and the eldest bennet sisters must seek positions as governesses mr fitzwilliam darcy needs a replacement for the disastrous miss younge who brought his younger sister to near ruin at the hands of the late mr wickham so he hires elizabeth wickham was killed in a flurry of violence he threatened miss darcy with a knife mr darcy rushed to defend his sister the end result was not entirely purposeful now however both mr darcy and his sister are altered and elizabeth knows nothing of what befell them both so she arrives to an imposing and grim estate a secretive and brooding employer and a haughty and troubled charge i m afraid this is another of my out of character mr darcy variations i know not entirely what happened but a bit of mr rochester seemed to creep into him by degrees as i wrote and i fear he is a bit darker than our own fitzwilliam though hopefully circumstances explain his behavior i also failed at keeping it clean again i seem to always fail at that don t i heavens

at the meryton assembly early in jane austen s pride and prejudice the proud fitzwilliam darcy calls elizabeth bennet everyone else s belle of the ball tolerable she hears him unleashing a prejudice which takes most of the novel to assuage yet in mr darcy s foreboding a series of mysterious incidences conspire to create a more rapid repair of their initial relationship what are these villainous conundrums are the same old nemeses involved wickham caroline mr collins aunt catherine lydia if so which ones why and when and what do they perpetrate kidnapping robbery or worse perhaps by the end of mr darcy s foreboding a very prescient fitzwilliam darcy solves the enigmas assisted by our favorites elizabeth bingley and colonel fitzwilliam mary anne georgiana kitty and of course jane join with a bevy of new characters to enhance this soon to be classic mystery romance

this is an alternative scenario to jane austen s original pride prejudice story i have included all the main characters but their paths are very different in this variation i have added a whirl more of excitement and a touch more love fitzwilliam darcy realising he can no longer ignore or suppress his feelings for elizabeth bennet returns to hertfordshire only one week after leaving but even the best laid plans can go awry and their first encounter is disastrous leaving elizabeth with the same opinion of mr darcy as before however when invited to dine at longbourn by her father darcy accepts and then reluctantly confides in mr bennet the true depth of his love and admiration for elizabeth having informed and assured mr bennet his intentions are strictly honourable mr bennet agrees to let the young man approach his favourite daughter confident that elizabeth will refuse him however mr bennet has one stipulation mr darcy has only one month until christmastide to win elizabeth s love or lose her forever tentatively darcy begins to woo his beloved elizabeth

then just when everything seems to be progressing nicely caroline bingley george wickham and elizabeth s own sister lydia to throw everything into jeopardy caroline s reckless actions force darcy and elizabeth accompanied by mr bennet mr bingley and georgiana to set off for london where darcy is determined to deal with his nemesis once and for all mr darcy s proposal uses uk english grammar spelling and historical terms and phrases throughout

i have found out that there ain t no surer way to find out whether you like people or hate them than to travel with them mark twainelizabeth bennet is the daughter of one of new york s first families when her grandparents take her and her sisters on a journey abroad she is not surprised to encounter anti american prejudice among the members of the english upper class if only her new friend s brother was not the most offensive of the lot fitzwilliam darcy is grateful that his sister is coming out of her shell if only her new friend was not a brash american who gets the better of him at every encounter and if only he could stop thinking about her when elizabeth and her family depart for italy she is happy to leave mr darcy and his disdainful cruelty behind darcy is not prepared to let her walk out of his life for good but how is he to win a woman who despises him and challenges everything he was taught to believe this epic regency variation of jane austen s pride prejudice is the debut novel by an author who cherishes the timeless romance of mr darcy and his elizabeth sweet and clean with just a touch of spice in the final chapter
