black people of america we need to stop reading books about thug life and street life we need to read books that will open our minds to ideas and issues that will help us and our families and the future of black generations of this country black people of america we were here before most of the other nationalities that are here now we should be in a much better

financial situation than we are in now most of us are at the bottom or near the bottom of the economic scale as a whole we have to learn from the foreigners that stick together and open up businesses in our community plus we have to stop giving our hard earned money to other nationalities and none to ourselves in a way we are still slaves i wrote this book to inspire black americans to open there eyes to the positive changes we need to make to help our families and future black generations in america this book shows how we are living compared to other nationalities in america as well as the factors that are holding us back as a whole we must remember our ancestors and the sacrifices they made when they were slaves they were the strongest people in the world and we are their descendants i feel they were superhuman beings to make that trip from africa to america we as black americans have that same ability in us to survive remember we are the alpha race we need to wake up and stop hitting the snooze button may god bless this book and everyone that reads it

in 1920 w e b du bois cited the damnation of women as linked to the devaluation of motherhood this dilemma he argues had a crushing blow on black women as they were forced into slavery black womanhood portrayed as hypersexual by nature became an enduring stereotype which did not coincide with the dignity of mother and wife this portrayal continues to reinforce negative stereotypes of black women in the media today this book highlights how black women have been negatively portrayed in the media focusing on the export nature of media and its ability to convey notions of blackness to the public it argues that media such as rap music videos television dramas reality television shows and newscasts create and affect expectations of black women exploring the role that racism misogyny and media play in the representation of black womanhood it provides a foundation for challenging contemporary media s portrayal of black women

focus on the works of toni morrison gaye jones and alice walker

this historical account uncovers the lived experiences and history of pioneering black women deans

this is a comprehensive guide to the lives of 641 individual black women most of whom are significant on a national level there are also entries to more than 150 general topics and organizations involving black women listed alphabetically the signed entries have bibliographies and many have photographs the length of the articles vary from one or two columns to multiple pages especially for the topical entries entries are balanced and easily comprehensible the appendices include a chronology a classified bibliography including a directory of research centers and the biographies classified by occupations there is an extensive index recommended as a first purchase among the new biographical sources about black women for high school libraries
