an examination of the depiction and function of memory in a variety of romances including *troilus and criseyde* and *sir gawain and the green knight*

few historical events have resonated as much in modern british culture as the second world war it has left a rich legacy in a range of media that continue to attract a wide audience film tv and radio photography and the visual arts journalism and propaganda architecture museums music and literature the enduring presence of the war in the public world is echoed in its ongoing centrality in many personal and family memories with stories of the second world war being recounted through the generations this collection brings together recent historical work on the cultural memory of the war examining its presence in family stories in popular and material culture and in acts of commemoration in britain between 1945 and the present

originally published in 1902 this title was discovered as a manuscript after the author s death and was published 4 years later david kay published articles on various subjects and was one of the sub editors on the eighth edition of *encyclopaedia britannica* after writing an article on mnemonics he became very interested in the subject of memory he had already published a title in 1888 *memory what it is and how to improve it* and this volume was intended to build on that discussion a great opportunity to read one of the early discussions on human memory

this book explores the history and legacy of monuments to the fallen from the francoist side in the spanish civil war *del arco blanco* studies thousands of monuments in towns and cities across spain to provide a detailed account of the history and memory of the civil war francoism and the transition to democracy chapters in the book focus on the myth of those

said to have fallen for god and for spain a phrase that encapsulated and shaped the dichotomy between good and bad spaniards they also focus on the use of monuments to control political and ideological ideals and to legitimise the francoist dictatorship further chapters study spanish society s struggle to deal with its past of mass killing denial and exclusion del arco blanco also pays attention to the way the francoist authorities used monuments and memory for their political and ideological advantage and to control people power as well as the political agenda the book draws on extensive research to reconstruct both the specific history of monuments scattered throughout the country and their role within manipulative francoist memory of the spanish civil war in these ways monuments helped shape the francoist narrative and memory but they also became part of the landscape of contemporary spanish history this book is an excellent resource for postgraduate students and professional researchers studying the aftermath of the spanish civil war and the influence of monuments on the construction of national memory culture and society in spain both at the time and through to the present day

ranging from his early treatises the monologion a work written to show his monks how to meditate on the divine essence and the proslogion best known for its advancement of the so called ontological argument for the existence of god to his three philosophical dialogues on metaphysical topics such as the relationship between freedom and sin and late treatises on the incarnation and salvation this collection of anselm s essential writings will be a boon to students of the history of philosophy and theology as well as to anyone interested in examining what anselm calls the reason of faith

for some time ava felt the best years of her life ended when jay died they seemed the most promising brimming with excitement and expectation where anything was possible in the years after jay s death friends family and a good dog sustain her as she looks back on her memories she begins writing her memoir what had it all meant where does she go from here can she put the past behind her her best friend s devastating diagnosis of alzheimer s and the

transformational power of international travel lead to surprising revelations and a path forward told with beauty and warmth insight and style and the memory returns captures one woman s journey as she ages and finds healing and redemption and the memory returns completes the story of ava stuart in susan g weidener s debut novel a portrait of love and honor a novel based on a true story

the international bestseller truly fascinating steve wright bbc radio 2 have you ever forgotten the name of someone you ve met dozens of times or discovered that your memory of an important event was completely different from everyone else s or vividly recalled being in a particular place at a particular time only to discover later that you couldn t possibly have been we rely on our memories every day of our lives they make us who we are and yet the truth is they are far from being the accurate record of the past we like to think they are in the memory illusion forensic psychologist and memory expert dr julia shaw draws on the latest research to show why our memories so often play tricks on us and how if we understand their fallibility we can actually improve their accuracy the result is an exploration of our minds that both fascinating and unnerving and that will make you question how much you can ever truly know about yourself think you have a good memory think again a spryly paced fun sometimes frightening exploration of how we remember and why everyone remembers things that never truly happened pacific standard

the unforgettable new york times bestseller a times and telegraph book of the year radically new and engaging matthew walker not only will every reader remember better afterward they ll also never forget this life changing book siddhartha mukherjee rangenath turns much of what we think we know about memory on its head daniel j levitin just fabulous you learn that you don t have to be a victim to your past and the way you used to think you have agency because of the fact that the brain can change dr rangen chatterjee we talk about memory as a record of the past but here s a surprising twist we aren t supposed to remember everything in fact we re designed to forget over the course of twenty five years charan rangenath has

studied the seemingly selective and unreliable nature of human memory to find that our brains haven't evolved to keep a comprehensive record of events but to extract the information needed to guide our futures using fascinating case studies and testimonies why we remember unveils the principles behind what and why we forget and shines new light on the silent pervasive influence of memory on how we learn heal and make decisions by examining the role that attention intention imagination and emotion play in the storing of memories it provides a vital user's guide to remembering what we hold most dear
