the latest work from harold scheub one of the world s leading scholars of african folktales is the broadest collection yet assembled with tales from the entire continent of africa north to south it brings together mythic fantastic and coming of age tales some transcribed more than a hundred years ago others dating to modern day africa scheub includes the work of storytellers from major african language groups as well as many storytellers whose work is not often heard outside of africa this anthology offers a classroom ready collection that should appeal to any scholar of african

literature and culture realizing that these tales are part of a dying art scheub writes for the inner ear in everyone bringing an oral tradition to life in written form

the deep forest and broad savannah the campsites kraals and villages from this immense area south of the sahara desert the distinguished american folklorist roger d abrahams has selected ninety five tales that suggest both the diversity and the interconnectedness of the people who live there the storytellers weave imaginative myths of creation and tales of epic deeds chilling ghost stories and ribald tales of mischief and magic in the animal and human realms abrahams renders these stories in a narrative voice that reverberates with the rhythms of tribal song and dance and the emotional language of universal concerns with black and white drawings throughout part of the pantheon fairy tale and folklore library

a collection of folktales each from a different region in africa

a collection of thirteen traditional tales from various regions of africa including the man with a tree on his head there s one day for the victim and the two swindlers

apart from it s entertainment values storytelling was a method of education and preservation of culture in africa prior to colonisation and globalisation sadly this invaluable instrument of disseminating of wisdom has continued to wane rapidly the book is a two in one collection of stories in african folklore themed around various characters and plots which contributes to the revitalisation of the african heritage book one chronicles the expedition of man into the forest of the djins and the land of the dead in his quest for a heir will he succeed book two is collection of stories of different plots which teaches morals etiquettes and the enviable values of the african culture

a collection of african folktales originating in the storytelling tradition

for use in schools and libraries only recounts how most african folktales came to be called spider stories

africa south of the sahara is a land of wide ranging traditions and varying cultures despite the diversity and the lack of early written records the continent possesses a rich body of folk tales and legends that have been passed down through the strong custom of storytelling and which often share similar elements characters and ideas between peoples so this collection offers a hefty selection of legends and tales stories of the gods creation and origins trickster exploits animal fables and stories which entertain and edify from obatala creates mankind from the yoruba people of west africa to the girl of the early race who made stars from the san people of

southern africa all collected in a gorgeous gold foiled and embossed hardback to treasure

the short stories in this book are typical african folk tales from rural copperbelt province zambia sit to relax and have a good laugh the stories are funny to make you laugh and they also convey timeless moral messages of african wisdom these stories are usually told in villages from generation to generation in the evenings by a big fire just before going to bed in villages children have very close relationships to their grandparents who teach them what they need to know about life the stories almost always teach a moral lesson unfortunately children growing in big cities do not have this chance because their evenings are spent watching tv or surfing in internet in most of these stories animals and people live together mingle with each other and sometimes kalulus marry human beautiful girls this may sound strange because a hare can not for instance cook or marry a human princess the truth is that the animals in the stories are not animals in the real sense they are just character representatives of people who behave in certain ways in the stories from zambia kalulu a hare with big ears is considered to be the fastest and the cleverest among animals animals cook nshima and chicken for each other and sometimes animals cook for people and people cook for animals nshima is the staple food of zambia it is a thick porridge prepared by mixing hot water with maize meal and served with chicken vegetables or any other relish if you are travelling to africa and want to learn and understand the african attitudes and morals start off by reading these stories the stories in this book contain life s important lessons some of which will be useful in different situations even in your life

a collection of twelve stories dealing with the folklore and fables of this african region
