a history of baseball since 1921 describes the paternalistic era when racial segregation was rigidly maintained and the inflationary era when unions fought for increasingly higher pay and occupational mobility

this book is a record of the men and events team by team during major league baseball s integration it focuses especially on the owners executives and managers who were the heroes villains or spectators of integration and it sheds new light on the unheralded champions of integration and on those whose culpability has so far been overlooked individual chapters cover each of baseball s integration era

teams and a final chapter covers expansion teams of the 1960s each team s responsible individuals are examined its acquisition deployment and treatment of black players documented and the effect of its integration actions on team performance analyzed appendices provide populations of integration era major league cities first black players by team first black players in various minor leagues rosters of black players by team a timeline of black player milestones and a list of black all star selections through 1969

this dual biography highlights the transformative influence of sam lacy and wendell smith two journalists who changed american sport and society through their calls to desegregate major league baseball and recognize black baseball players in a decade long battle lacy and smith tirelessly advocated for the inclusion of black players in the major leagues reporting in the baltimore afro american and pittsburgh courier respectively both sports writers covered players in the negro leagues following off season games in places like mexico cuba and the dominican republic in 1947 lacy s and smith s work helped break through mlb s racial barriers when jackie robinson joined the brooklyn dodgers over the coming years lacy and smith on individual career trajectories but sharing a common goal would report on the dissolution of the negro leagues and future mvps such as willie mays hank aaron and elston howard the book considers the lasting legacies of these sports journalists both recognized in the writers wing of the baseball hall of fame through its thoughtful analysis of lacy and smith s groundbreaking impact on america s pastime this book will appeal to students and general readers interested in sports history and journalism and afro american history
