this is a revision of a classic survey history of california ever since its first appearance nearly thirty years ago one of the strengths of this book has been its

comprehensive analysis of the vital developments of california in the 20th century the excellent balance of narration and interpretation continues in this edition it offers an unparalleled account of contemporary california the events of the late 80 s and 90 s as well as expanded coverage of social and cultural history particularly on the post 1960 s

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

this book opens the world of published and archival materials about california to those who wish to investigate and research the rich history of this state each of the essays elaborates specific periods topics or holdings and has been authored by an expert in the respective field or institution part i is both a chronological and topical approach to the essential elements that have shaped california s history attention is given to its varied ethnic groups and how the state developed part ii contains essays on the archival and manuscript holdings of the major research centers in the state also included are the holdings of smaller historical societies and libraries wherever possible essays contain references to documentary sources including photographs as well as printed sources archival materials have been preserved from the state s earliest days and most of these are located within the state an introduction by the editors is followed by the historical and topical articles in part i from spanish to mexican rule to becoming a u s territory through statehood and beyond the history of california is covered in depth there are also essays on california chicanos blacks asians and women along with a study of urban areas part ii contains information on such national archives as federal records centers the california state library and the huntington library a directory of oral history is presented the appendices follow with a chronology of california history and lists of organizations interested in the state s history a guide to the history of california is an indispensable book for those with a special

interest in the state and students enrolled in courses on the history of california

excerpt from a history of california the american period as the title indicates this volume deals with the american period of california history it thus aims to complement the work of dr charles e chapman whose history of california the spanish period has already made its welcome appearance from the press as the preface to this latter volume states the general plan of the two books was agreed upon as far back as 1914 since that date dr chapman and the writer have been in constant communication but otherwise working independently with the view to producing between them an authoritative popular history of california with the exception of a slight overlapping of the writer s opening chapters with the closing pages of dr chapman s narrative an overlapping however which has involved almost no actual repetition of incident each book covers a separate field yet the keynote of the two volumes is essentially the same namely that california history is vastly more significant because of its national and international aspects than for any local interest it may possess from this standpoint the event of primary importance in the history of california is its transformation from a mexican province into an american state to this event as dr chapman shows the spanish period looks forward from this event dates the california of today and the greater california of tomorrow in preparing this volume for the press the writer has had in mind three objects to make his book conform to the canons of sound scholarship to escape a provincial and localized point of view and to avoid being classed with those who write for nothing so irrelevant as a reader about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

this work examines california s history from 1520 to 1890 it also contains a ethnology of the state s population economics and politics

excerpt from history of california from its discovery to the present time the state of california has attained and will long occupy a prominent place in the public

mind not only its great product of gold and other mineral wealth but the adaptation of its soil and climate to the pursuits of agriculture the proper seasons and best course of husbandry for the successful cultivation of the various crops its influence as an independent state on the future of the american union its geographical position the extent character and variety of its resources c are all subjects of special and increasing interest to large numbers in the older states beyond its own limits comparatively little has been known of the particular history of its gold mines and mining grounds of the toils perils and success of its miners of their modes and operations of mining and of the vast amount of capital which is invested in that adventurous business nor has a description of the magic city of san francisco as it now exists of its moral social and commercial state before been written and the public at a distance from the scene have been enabled to view it only in a faint and glimmering light about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

high quality reprint of history of california the american period by robert glass cleland

few states of the united states have a more varied a more interesting or a more instructive history than california and few have done so little to preserve their history in narrating the story of california the author has endeavored to deal justly with the different eras and episodes of its history to state facts to tell the truth without favoritism or prejudice to give credit where credit is due and censure where it is deserved this accounts also for the prominence of los angeles in the second half of this volume the consolidation of los angeles city and the cities of wilmington san pedro and hollywood has merged the history of these three into that of the greater los angeles the early history of these cities is given separately up to their consolidation all over this book is a real treasure chest and every single of its more than 400 pages is a must read for the people of california and los

angeles county

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
