fabric and opens up a world of possibilities for crafts such as hats sweaters cowls
and socks knitting in the round often known as circular knitting produces a seamless
tube such as in socks sweaters and hats when you work in the round you d first
cast on a number of stitches then join the first and last cast on stitches to continue
knitting the knitting spirally progresses in rounds like the rows in flat knitting circular
knitting has numerous benefits the fabric s weight is uniformly distributed on the
needles reducing stress on the arms and wrists purling is not necessary in stockinette
stitch which is frequently seen as one of the huge benefits of circular knitting the
creation of garments like sweaters is also made easier because knitting in the round
nearly completely removes the finishing processes of sewing the sweater together
although double pointed needles dpns can be used to knit in the round however
starting with a circular needle is advised because it is easier to use you will also
have to use a bunch of stitches when knitting in the round such that the stitches
span the complete circumference of the circular needle you will rapidly master
knitting in the round with a circular needle if you practice consistently with it there
