key selling points based on a true story from phangane village in india s maharashtra state where grandmothers attend the aajibaichi shala school for grandmothers for many of them this has been their first time in a classroom explores how important education is especially for girls and women who have historically been left behind ellen rooney s bright and vivid illustrations shine as this book moves through the effects that the opportunity for education has had on one grandmother the author dedicated this book to her own grandmother who never had the chance to go to school this book encourages readers to think critically about why education has historically been withheld from women and about gender inequality overall as well as to consider what basic human rights and needs are grandmother school was the winner of the 2021 christie harris illustrated children s literature prize

superheroes are always kind or are they when molly the great dons her clever crown and super ben ties on his courageous cape the two can accomplish anything however even superheroes must sometimes be reminded to care for others follow this duo through daring adventures in becoming better and more caring buddies

first we were told we all needed to have hrt to remain interesting for our husbands

then we were told it was going to give us cancer and put us in an early grave next we were told hrt was safe and we had to take it or we d all end up with crippling brain fog quitting our jobs and descending into dementia as the economy collapsed around us on the other side of the fence are those who argue that menopause is natural it doesn t need treating and a cold water swim could fix everything no wonder we re more confused than ever why has this happened what does the evidence say menowars explains why menopause is such a political hot potato taking into account the history of gender bias in health and health research the void and how it s filled and what the evidence actually says it answers questions like will hrt prevent dementia what you can do help your brain will hrt prevent heart disease what you can do to help your heart and much more menowars explains the silent changes you can t see and which need to be sorted and why importantly it not only shows why we re arguing it outlines where the science is heading so we can live longer better healthier lives in perimenopause and throughout the decades we spend in post menopause

if you re worried that you re losing the power to concentrate the distraction trap can help learn how you can easily release your life from the steely grip of modern technology where you re always available and always connected discover how you can radically boost your productivity by keeping your whole brain and both eyes on the task in hand you may think you can do ten things at once with a scattered thinking approach and expect to do everything well and on time well you can t the distraction trap will empower you to focus and prioritise switch off your email say no to social media ruling your life and help you rediscover your lost powers of concentration your campaign to reclaim your life starts here and now
