anthem is ayn rand s classic tale of a dark future age of the great we a world that deprives individuals of name independence and values written a full decade before george orwell s 1984 this dystopian novel depicts a man who seeks escape from a society in which individuality has been utterly destroyed rand expertly shows how collectivism including social programs in the united states destroys freedom and individuality her philosophy is simple planning is a synonym for collectivism and collectivism is a metaphor for communism and tyranny this important book should be read by all who are concerned about the role of government in modern life newly designed and typeset in a modern 6 by 9 inch format by waking lion press

anthem is ayn rand s classic tale of a dystopian future of the great we a world that deprives individuals of a name or independence that anticipates her later masterpieces the fountainhead and atlas shrugged they existed only to serve the state they were conceived in controlled palaces of mating they died in the home of the useless from cradle to grave the crowd was one the great we in all that was left of humanity there was only one man who dared to think seek and love he lived

in the dark ages of the future in a loveless world he dared to love the woman of his choice in an age that had lost all trace of science and civilization he had the courage to seek and find knowledge but these were not the crimes for which he would be hunted he was marked for death because he had committed the unpardonable sin he had stood forth from the mindless human herd he was a man alone he had rediscovered the lost and holy word i i worship individuals for their highest possibilities as individuals and i loathe humanity for its failure to live up to these possibilities ayn rand

anthem is a dystopian fiction novella by ayn rand first published in 1938 it takes place at some unspecified future date when mankind has entered another dark age as a result of the evils of irrationality and collectivism and the weaknesses of socialistic thinking and economics technological advancement is now carefully planned when it is allowed to occur at all and the concept of individuality has been eliminated for example the word i has disappeared from the language as is common in her work rand draws a clear distinction between the socialist communal values of equality and brotherhood and the productive capitalist values of achievement and individuality many of the novella s core themes such as the struggle between individualism and collectivism are echoed in rand s later books such as the fountainhead and atlas shrugged however the style of anthem is unique among rand s work more narrative centered and economical lacking the intense didactic expressions of philosophical abstraction that occur in later works it is probably her most accessible work
