over 1 300 total pages to the young man or woman choosing a navy career field whether for one enlistment or for 30 years the journalist rating offers endless avenues for an imaginative yet mature thinker many of the duties and responsibilities of the journalist rank among americans favorite hobbies and pastimes such as writing broadcasting and photography the navy journalist learns and practices a distinguished profession and becomes an official representative of the navy in public affairs matters the first enlisted specialists to work full time in the field of navy journalism were naval reserve personnel selected during the early years of world war ii they were designated specialist x naval correspondents in 1948 under a major overhaul affecting almost every enlisted rating the journalist jo rating was established major tasks and responsibilities learning objective identify the major tasks and responsibilities of the navy journalist the personal traits required for one to best perform the duties of the rating the applicable necs and the purpose of the jo 3 2 training manual traman in our democratic society government depends on the consent of the governed this important principle means that in the long run the united states government does only what the people want it to do therefore we can have a navy only if the people know and understand the importance of the navy and support it the navy like the other services depends on this country s citizens for the four key tools of its trade personnel money materials and the authority to carry out its mission as a navy journalist your main function will be to make the facts about your navy available to the navy s three main publics the people at your ship or station navy people in general and the people of the united states as a whole

this best selling textbook returns for an eighth edition with material on the most fundamental issues in sociology today the authors continue their tradition of focusing on the big picture with an emphasis on race class and gender in every chapter building on the seventh edition s discussion of reproductive justice after the revocation of roe v wade social movements such as black lives matter and metoo a discussion of the covid 19 pandemic and donald trump and joe biden the text frames sociological debates around the major theoretical perspectives of sociology and focuses on capturing students imaginations with cutting edge research and real world events the hallmark of the book continues to be clear writing that helps students understand the intricacies of the discipline like no other textbook on the market new to the eighth edition thinking outside the box or inside it selected chapters contain thematically linked boxed inserts aimed at bringing analytical and expository focus to certain issues as follows sociological insights these boxes focus on how sociology can help us better understand a variety of issues and how examples from everyday life can help us to understand sociological principles illustrating how topics are carefully linked to that material global sociology one of the most pronounced social changes of the past century has been globalization a transition from the dominance of nation states and national economies to global interactions these boxes examine how social change moves around the world sociological surprises one common criticism of sociologists is that we sometimes expend a great deal of effort to prove things that are obvious on the contrary the reality is that what we find often goes against what people commonly believe and even against what sociological researchers expect to find these boxes focus on such unexpected findings analyzing why the social reality turns out to be something different from what is expected understanding race class and gender these boxes give added emphasis to the book s focus on race class and gender inequality in every issue that

sociologists study race class and gender play a key role and these boxes provide students with clear and concrete examples of how this occurs student life these boxes which discuss student life from a sociological viewpoint show how sociology is relevant to students in their everyday lives covering race relations to dating to paying for college and draws out their sociological implications putting sociology to work these boxes focus on application how can sociology be used to solve a social problem or to make an important decision

global injustice and crime control places cross border cross national and international crime and crime control within its wider context it examines theory from a range of disciplines and introduces students to the frequently neglected area of the world order and world politics in an effort to direct attention to the links between events power ideas institutions policies actions and counter actions at the international and domestic level in an increasingly interconnected and interdependent world the various dimensions of globalisation play a pivotal role in issues of crime and criminal justice in the 21st century this interdisciplinary textbook offers a critical treatment of the development and recent acceleration of national regional and international efforts at cross border crime control and law enforcement the book not only places cross national and international efforts by police courts regional and international agencies within their historical context but also focuses on elucidating leading theoretical perspectives from within globalisation literature criminology and international relations to shed light upon both sides of this phenomenon areas covered include cross border crime and security state crime and corruption international responses to genocide terrorism and counter terrorism organised crime this book will be perfect reading for modules in transnational crime and justice and will be of interest to students in criminology policing public policy and international relations
