Handlos East African Library Association Jan Pettman Library of Congress. Library of Congress Office, Nairobi, Kenya Rose Zeko Haambayi Library of Congress*

this handbook offers a comprehensive and authoritative account of the zambian economy including past and current trends the zambian economy has evolved

from simple and fragmented agrarian activities at the turn of the 20th century into a wide range of organized and regulated modern economic activities today while the economy has largely revolved around the mining industry since the early 1920s when the extraction of copper and other mineral ores on the copperbelt begun there has been a gradual broadening of economic activities over time with services now accounting for almost two thirds of gross domestic product gdp this book shows that since colonial times one of the persistent items on the economic development agenda in what is today known as zambia has been the need to diversify the economy to reduce dependence on mining in terms of foreign exchange earnings and public revenue while the need to diversify the economy has been well acknowledged by successive zambia governments including the current government achieving this goal has proved to be elusive so far by presenting a collection of well researched and empirically supported chapters on the key areas of the zambian economy this volume gives readers a good sense of where the zambian economy has come from where it is at the moment but also highlights the challenges and prospects for economic growth

general study of zambia covers historical and geographical aspects labour force demographic aspects and social structures living conditions education cultural factors tradition religion the system of government foreign policy the economic structure trade unionism trade banking national level defence the armed forces etc bibliography pp 447 to 469

this book details the activities of the private sector in developing and emerging economies and demonstrates how these activities are inter related with government policies

includes proceedings of the executive council and list of members also section review of books

number 6 includes cumulative main and added entry index for the monographs listed in that year

this review synthesises information from available publications to provide a comprehensive description of the issues and factors related to the reproductive health of young adults between the ages of 10 and 24 in zambia
