the s s saint louis spent several days anchored at havana in 1939 while waiting for the cuban authorities to allow 900 jewish refugees from germany into their country confident that a painting by rembrandt that had belonged to their family since the 17th century and which they had smuggled into the ship would convince the cubans to let them in little daniel kaminsky and his uncle waited at the dock for their relatives to land however their plan failed and the ship returned to germany taking away with her any chance of encounter in 2007 with the crying of the painting in london daniel s son elias travels from the us to havana in order to find out what happened to this artwork and to his family detective mario conde is the only one who can help him

this volume offers a thorough introduction to jewish world literatures in spanish and portuguese which not only addresses the coexistence of cultures but also the functions of a literary and linguistic space of negotiation in this context from the middle ages to present day the compendium explores the main jewish chapters within spanish and portuguese language world literature whether from europe latin america or other parts of the world no comprehensive survey of this area has been undertaken so far yet only a broad focus of this kind can show how diasporic jewish literatures have been and are while closely tied to their own traditions deeply intertwined with local and global literary developments and how the aesthetic praxis they introduced played a decisive formative role in the history of literature with this epistemic claim the volume aims at steering clear of isolationist approaches to jewish

culture and the cuban state examines the politics of culture in communist cuba it focuses on cultural policy censorship and the political participation of artists writers and academics such as tania bruguera jesús díaz rafael hernández kcho reynier leyva novo leonardo padura and josé toirac the cultural field is important for the reproduction of the regime in place given its pretense and ambition to be eternally revolutionary and to lead a genuine cultural revolution cultural actors must be mobilized and handled with care given their presumed disposition to speak their mind and to cherish their autonomy this book argues that cultural actors also seek recognition by the main for a long time the only sponsor and patron of the art in cuba the curator state the curator state is also a gatekeeper state arbitrarily and selectively opening and closing the space for public expression and for access to foreign currencies and the global market the time when everything was either mandatory or forbidden is over in cuba the regime seems to have learned from egregious mistakes that led to a massive exodus of artists writers and academics in a country where things change so everything could stay the same the controlled opening in the cultural field playing on the actors ambition and fear illuminates a broader phenomenon the evolving rules of the political game in the longest standing dictatorship of the hemisphere

from today s vantage point it can be denied that the confidence in the abilities of globalism mobility and cosmopolitanism to illuminate cultural signification processes of our time has been severely shaken in the face of this crisis a key concept of this globalizing optimism as world literature has been for the past twenty years necessarily is in the need of a comprehensive revision world literature cosmopolitanism globality beyond against post otherwise offers a wide range of contributions approaching the blind spots of the globally oriented humanities for phenomena that in one way or another have gone beyond the discourses aesthetics and political positions of liberal cosmopolitanism and neoliberal globalization departing basically but not exclusively from different examples of latin american literatures and cultures in globalized contexts this volume provides innovative insights into critical readings of world literature and its related conceptualizations a timely book that embraces highly innovative perspectives it will be a mustread for all scholars involved in the field of the global dimensions of literature

la mejor de las novelas de mario conde el asesinato de un exdirigente cubano en el momento de máxima efervescencia en cuba con la visita de barack obama la más redonda compleja y fascinante historia de conde una excelente noticia para el género no es fácil rematar una novela así juan carlos galindo el país babelia un festín de personajes complejos llenos de vida josé maría pozuelo abc cultural padura refuerza su condición de gran novelista firmando un relato maestro javier garcía recio el periódico abril dos historias que convergen y que vuelven a situar a padura en la cumbre de la literatura latinoamericana actual manuel peris levante padura en estado de gracia una de las mejores historias de mario conde una novela redonda pedro m espínosa diario de cádiz el mejor leonardo padura diego gándara la razón un ciclón azota al lector en las páginas de personas decentes felip vivanco la vanguardia la habana 2016 un acontecimiento histórico sacude cuba la visita de barack obama en lo que se ha llamado el deshielo cubano la primera visita oficial de un presidente estadounidense desde 1928 acompañada de eventos como un concierto de los rolling stones y un desfile de chanel ponen patas arriba el ritmo de la isla por eso cuando un exdirigente del gobierno cubano aparece asesinado en su apartamento la policía desbordada por la visita presidencial recurre a mario conde para que eche una mano en la investigación conde descubrirá que el muerto tenía muchos enemigos pues en el pasado había ejercido de censor para que los artistas no se desviaran de las consignas de la revolución y que había sido un hombre déspota y cruel que había acabado con la carrera de muchos artistas que no habían querido plegarse a sus extorsiones cuando unos días después se encuentra un segundo cadáver asesinado con el mismo método conde deberá descubrir si las dos muertes están relacionadas y qué hay detrás de estos asesinatos a esa trama se suma una historia que escribe el protagonista situada un siglo antes cuando la habana era la niza del caribe y se vivía pensando en el cambio inminente que produciría el cometa halley un caso de asesinato de dos mujeres en la habana vieja destapa la lucha abierta entre un hombre poderoso alberto yarini refinado y de buena familia capo de los negocios de juego y de prostitución y su rival lotot francés que le disputa la preeminencia el desarrollo de esos hechos históricos tendrá conexión con la historia del presente de un modo que ni el propio mario conde sospecha

varios especialistas en la obra del premio princesa de asturias de las letras 2015 analizan la obra de leonardo padura fuentes y ofrecen perspectivas útiles para la mejor comprensión de uno de los autores más importantes de las letras hispánicas contemporáneas entre los textos que recoge este volumen destacan inéditos del propio leonardo padura y de francisco lópez rafael grillo amir valle michel encinosa fú enrique saíenz dorita nouhaud manuel garcía verdecia emiliano ruiz parra agustín garcía marrero rafael acosta de arriba rebecca murga elizabeth mirabal lucía lópez coll agustín garcía marrero ciro bianchi ross a la distancia de los años de la experiencia literaria y ya con ocho novelas en las manos se hace evidente que la evolución de

mario conde mucho tiene que ver con mi propia evolución como individuo si en pasado perfectotodavía siento que conde tiene un cierto carácter funcional demasiado apegado para mi gusto a la trama policial cuando comencé vientos de cuaresma publicada en 1994 ya decidido a que fuese el protagonista de al menos cuatro novelas su composición psicológica y espiritual se hizo más completa y también más evidente la imposibilidad de sostenerlo mucho tiempo como policía incluso como antipolicía o como el policía literario que era su manera de relacionarse con la realidad con los amigos con el amor y las mujeres su inteligencia y vocación literaria su incapacidad para vivir entre los férreos escalones de un cuerpo de estructura militar y las muchísimas debilidades de su carácter ponían a prueba en cada página su capacidad para ser y actuar como policía aun como policía de investigación leonardo padura
