the demographically modest but strategically significant country of tunisia has experienced profound and revolutionary change in the almost two decades since the publication of the previous edition of this volume 1997 most dramatically a populist uprising in 2011 ousted the entrenched dictatorship whose two heads had successively presided over the country since independence from france in 1956 as tunisians celebrated this achievement they inspired similar movements elsewhere in the middle east and north africa giving rise to an arab spring that held out hope for the introduction of transformational innovations in democratic concepts and institutions across the region sadly however powerful forces of the status quo thwarted these efforts in country after country but in tunisia itself a more hopeful scenario unfolded in the fall of 2011 elections to a constituent assembly that international observers characterized as free and fair gave the major islamic party a plurality of the

votes and set tunisia on a course of participatory democracy this third edition of historical dictionary of tunisia contains a chronology an introduction an appendix and an extensive bibliography the dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture this book is an excellent access point for students researchers and anyone wanting to know more about tunisia

texts by for and about preachers from the twelfth to the fourteenth centuries reveal an intense interest in the preacher's human nature and its intersection with his angelic role far from simply denigrating embodiment or excluding it from consideration these works recognize its centrality to the office of preacher and the ways in which preachers like christ needed humanness to make their performance of doctrine effective for their audiences at the same time the texts warned of the preacher's susceptibility to the fleshly failings of lust vainglory deception and greed preaching's problematic juxtaposition of the earthly and the spiritual made images of women preachers real and fictional key to understanding and exploiting the power as well as the dangers of the feminized flesh addressing the underexamined bodies of the clergy in light of both medieval and modern discussions of female authority and the body of christ in medieval culture angels and earthly creatures reinserts women into the history of preaching and brings together discourses that would have been intertwined in the middle ages but are often treated separately by scholars the examination of handbooks for preachers as literary texts also demonstrates their extensive interaction with secular literary traditions explored here with particular reference to chaucer's canterbury tales through a close and insightful reading of a wide variety of texts and figures including hildegard of bingen birgitta of sweden and catherine of siena waters offers an original examination of the preacher's unique role as an intermediary standing between heaven and earth between god and people participating in and responsible to both sides of that divide
