distintos partidos y referentes de ultraderecha ganan espacios tanto en europa como en los estados unidos y américa latina y cuesta articular respuestas efectivas a ese avance qué hay de nuevo y qué de viejo en estas corrientes que se pretenden revolucionarias hasta qué punto sirve compararlas con el fascismo del siglo xx y hasta qué punto se trata de otra cosa qué tienen para proponer el historiador enzo traverso agudísimo analista de las ideas contemporáneas pone la lupa sobre la derecha que con su irreverencia y su furioso discurso contra las élites conquista a los electores en pleno auge estos movimientos supieron descartar sus rostros más violentos y cambiar de piel embanderándose en un ideal de nación amenazada y valores en riesgo que ve al otro el inmigrante el pobre los jóvenes de barrios periféricos los feminismos como responsable de la crisis económica y social además de caracterizar con precisión esta etapa traverso hace foco en una de las condiciones que la volvieron posible el vacío de poder del sistema de partidos tradicionales que han perdido sus bases sociales y también sus discursos identitarios así reconstruye un escenario en que líderes como donald trump o javier milei se valieron de sus

carismas personales o mediáticos y sobre todo sacaron provecho de los defectos de sus adversarios para ascender sin necesidad de demostrar méritos propios y muestra cómo si se la confronta con el fascismo clásico la actual derecha radical carece de un imaginario utópico y de ideas de futuro pero entraña un peligro que no conviene subestimar con un nuevo prefacio del autor este libro es imprescindible para entender con qué deben lidiar las fuerzas de izquierda si quieren estar a la altura del desafío

the five volumes provide a compendium of the history of and discourse about antisemitism both as a unique cultural and religious category antisemitic stereotypes function as religious symbols that express and transmit a belief system of jew hatred which are stored in the cultural and religious memories of the western and muslim worlds this volume explores the phenomenon from the perspectives of philosophy and social sciences

the growing threat of antisemitism racism and islamophobia within the european political landscape poses urgent and difficult questions these questions concern both commonalities and connections between these forms of prejudice and persecution and differences regarding their discursive functions and the image of the other they project in this volume we interrogate the specific forms antiracism and anti antisemitism take in the public sphere their representation in scholarly discourses and the fact that they increasingly seem to be at home in separate and sometimes antagonistic political and academic camps we also address the conceptual resources and research tools required to study the unity that lies behind these varied phenomena this collection has a new introduction and brings together papers that arose out of discussions in the european sociological association network on racism and antisemitism published in european societies the chapters relate to current issues in the area of racism and anti semitism such as the notable impact of the israel palestine conflict on antisemitism in europe the contested antizionist humour of dieudonné in france relations between antisemitic and islamophobic attitudes in italy and spain the problem of antisemitic reactions to islamophobia in arab media the historical relation of antisemitism to other kinds of racism in german literary discourse and how their study can be instructive for the investigation of antisemitism and islamophobia today the difficulties marxists internationally have faced in addressing concerns about antisemitism and current disconnections between racism and antisemitism in the human sciences these papers raise fundamental issues of understanding the modern world this book was originally published as a special issue of european studies

internationally renowned essayist and cultural commentator ilan stavans spent five years traveling from across a dozen countries in latin america in search of what defines the jewish communities in the region whose roots date back to christopher columbus s arrival in the tradition of v s naipaul s explorations of india the caribbean and the arab world he came back with an extraordinarily vivid travelogue stavans talks to families of the desaparecidos in buenos aires to indian jews and to people affiliated with neo nazi groups in patagonia he also visits spain to understand the long term effects of the inquisition the american southwest habitat of secret jews and israel where immigrants from latin america have reshaped the jewish state along the way he looks for the proverbial seventh heaven which according to the talmud out of proximity with the divine the meaning of life in general and jewish life in particular becomes clearer the

seventh heaven is a masterful work in stavans s ongoing quest to find a convergence between the personal and the historical

casi a diario vemos en la prensa y la televisión noticias referentes a actos de violencia cometidos en relación con el trágico y cruel conflicto entre israelíes y palestinos el discurso de ciertos fundamentalistas islámicos de gran influencia convierte este conflicto en el núcleo de una conspiración judía mundial esta argumentación fundamentalista contribuye a extender sutilmente una nueva judeofobia en los ambientes europeos donde se comienza a observar una inquietante combinación de actitudes pro islámicas de tinte electoralista con un antisemitismo ancestral y aún vivo como señala el autor resulta alarmante que la prensa la televisión los partidos políticos o los intelectuales apenas protesten al contrario los medios de comunicación fomentan esta judeofobia con titulares tendenciosos sobre el conflicto entre israelíes y palestinos que funden las nociones de judío israelí y sionista en una delirante amalgama a la que los nuevos antijudíos ven como representante de una potencia maléfica que supuestamente mueve los hilos del imperialismo y de la globalización económica taguieff analiza a fondo los discursos islamistas neocristianos y de la extrema izquierda y apela a nuestra capacidad de crítica para evitar que el conflicto entre israelíes y palestinos por duro que pueda parecer sirva de pretexto para recaer en los milenarios y aberrantes prejuicios contra el pueblo judío si no hacemos este esfuerzo no hemos aprendido nada del holocausto

asserts that during the 19th 20th centuries french antisemitism had a great influence in spain backed by the old spanish medieval stereotypes about the jews the new french antisemitism described the jew as a secret conspirator who wished to dominate the world and destroy european culture in spain as in the rest of europe this image was used mostly by militant catholic circles to rationalize the end of absolutism and the rise of liberalism later the same stereotype was used to explain the russian revolution after world war ii antisemitism in spain declined but in the 1990s the hostile image of the jew was updated and used in order to explain the globalization process taking place in the world economy

a partir de su experiencia personal y de su trabajo como activista en el movimiento gay y lésbico la autora rastrea las expresiones lésbicas que se han dado en diversas culturas defendiendo un construccionismo radical de la sexualidad tal como hacía el feminismo en los años 60 y 70 arroja luz sobre un tema central en las tesis de la llamada teoría feminista lesbiana las mujeres todas las mujeres pueden optar por un estilo de vida y una sexualidad lesbiana
