this first volume covers talks given in Italy Norway and India Krishnamurti begins with the statement friends I should like you to make a living discovery not a discovery induced by the description of others I am not going to try to describe what to me is truth for that would be an impossible attempt one cannot describe or give to another the fullness of an experience each one must live it for himself

designed for students from a wide range of backgrounds this text takes a chronological and interdisciplinary approach to human development with its focus on context and culture the 8 e illustrates that the status of human development is inextricably embedded in a study of complex and changing cultures

los sistemas pedagógicos continúan en crisis una crisis humana que amenaza con nunca acabar en esta obra se argumenta que una de las razones principales de las crisis educativas se debe a que los procesos pedagógicos han centrado la atención en el desarrollo cognoscitivo principalmente y han dejado de lado al cuerpo y sus emociones la pedagogía de lo corporal propuesta por el dr sergio lópez ramos muestra un camino esperanzador y encausa a la educación al aprendizaje por medio del cuerpo concibiéndolo como un espacio en donde el individuo tiene posibilidades de construir nuevas formas de vivir en armonía consigo mismo y con los otros para que el ser humano alcance una mejor calidad de vida en esta época global y postmoderna la autora incursiona en la pedagogía de lo corporal del dr lópez ramos con la metodología de historia de las ideas y logra exponer la propuesta de abrigar una nueva epistemología del cuerpo y las emociones en los procesos educativos

bringing together writers translators poets and leading scholars of cultural theory literary theory comparative literature philosophy history political science music studies and education the wounds of possibility aims to offer an in depth and wide ranging study of george steiner s imposing body of work this book is a timely volume of important essays on one of the most provocative thinkers critics and philosophers now writing during an era in which the question of the ethical and of the status of the work of art and its relation to the theological dimension has returned with renewed urgency steiner s work provides rich resources for reflection and it is hoped that the volume will stand on its own as a rich nuanced accompaniment to the reading of steiner s work with their broad range of thematic foci theoretical approaches and stunning constellations of quoted material from different backgrounds all the essays in the book try to reflect upon the relation between human identity and language ethics and literature philosophy and art and they all offer what we regard as being the most comprehensive engagement with steiner s work to date

this book addresses contemporary discourses on a wide variety of topics related to the ideological and epistemological changes of the 19th 20th and 21st centuries and the ways in which they have shaped the spanish language and cultural manifestations in both spain and hispanic america the majority of the chapters are concerned with otherness in its various dimensions the alien other foreign immigrant ethnically different disempowered female or minor as well as the other of different sexual orientation and or ideology following octavio paz otherness is expressed as the attempt to find the lost object of desire the frustrating endeavour of the androgynous plato wishing to embrace the other half of zeus who in his wrath tore off from him otherness compels human beings to search for the complement from which they were severed thus a male joins a female his other half the only half that not only fills him but which allows him to return to the unity and reconciliation which is restored in its own perfection formerly altered by divine

will as a result of this transformation one can annul the distance that keeps us away from that which not being our own turns into a source of anguish the clashing diversity of all things requires the human predisposition to accept that which is different such a predisposition is an expression of epistemological ethical and political aperture the disposition to co exist with the different is imagined in the de anthropocentricization of the bonds with all living realms and otherness is in some way the reflection of sameness mismidad the other is closely related to the self because the vision of the other implies a reflection about the self it implies consciously or not a relationship with the self these topics are addressed in this book from an interdisciplinary perspective encompassing arts humanities and social sciences
