in what has become a bible for the business world the successful former ceo of herman miller inc explores how executives and managers can learn the leadership skills that build a better more profitable organization leadership is an art has long been a must read not only within the business community but also in professions ranging from academia to medical practices to the political arena first published in 1989 the book has sold more than 800 000 copies in hardcover and paperback this revised edition brings max de pree s timeless words and practical philosophy to a new generation of readers de pree looks at leadership as a kind of stewardship stressing the importance of building relationships initiating ideas and creating a lasting value system within an organization rather than focusing on the hows of corporate life he explains the whys he shows that the first responsibility of a leader is to define reality and the last is to say thank you along the way the artful leader must stimulate effectiveness by enabling others to reach both their personal potential and their institutional potential take a role in developing expressing and defending civility and values nurture new leaders and ensure the continuation of the corporate culture leadership is an art offers a proven design for achieving success by developing the generous spirit within all of us now more than ever it provides the insights and guidelines leaders in every field need

this book will have wide interest and import for clergy and members of churches who want to increase the vitality and effectiveness of the churches of which they are a part it is unique in focusing on organization development od a strategic theory that has achieved wide acceptance within business and industry heretofore it has not been applied to institutional religion this volume meets that need by combining human relations and systems approaches designed to increase productivity and personal fulfillment concepts that should have wide appeal at a time in religious history when religion is experiencing much challenge malony is convinced that the application of these od principles can have a remarkable impact on church life

in evangelical christian executives dr solomon has captured the essence of an effective and refreshingly different approach to business in telling the compelling stories of six christian ceos he shows us an alternative to an ethic of greed that has so tarnished corporate america john d beckett ceo and chairman of r w beckett corp events of recent years have encouraged a high degree of skepticism and doubt about business institutions and markets in the face of widespread cynicism about corporate credibility business leaders are seeking to restore the trust and confidence not only of investors but of employees customers suppliers shareholders potential investors and the public at large in this volume lewis d solomon focuses on evangelical christians who have founded or come to lead six firms he explores whether religion offers a constructive way to think about corporate governance and the tensions between profitability and social responsibility solomon finds that many christian executives have a private faith leading quietly by example others want their faith to shine forth solomon focuses on this latter group dividing them into two categories the first group he identifies as preachers who weave visible demonstrations of their faith into the fabric of their businesses the second are those who take a more sophisticated approach based on two biblical principles stewardship and or servant leadership in addition to examining how these leaders of faith have successfully brought their religious values into their businesses he assesses the consequences of incorporating their faith and values into their business organizations considering profitability employee and customer satisfaction legal and environmental compliance and charitable giving together with these leadership styles and results solomon presents three business models constant transformational and evolving that enable readers to gain a further understanding of the six companies while solomon shows that it is possible to integrate financial profitability and broader religious goals he finds that it is difficult though not impossible to maintain a biblically based leadership style after a firm goes public or expands with the growth of

evangelical christianity in many sectors of american public life this volume will be of broad interest to business executives sociologists students of religion and economists lewis d solomon is theodore rinehart professor of business law at the george washington university law school where he has taught corporate and tax law for over twenty five years a prolific author on legal business public policy and religious topics he has written over fifty books and numerous articles he is an ordained rabbi and interfaith minister

workplace health is now recognised as having major legal financial and efficiency implications for organizations psychologists are increasingly called on as consultants or in house facilitators to help design work processes assess and counsel individuals and advise on change management the second edition of this handbook offers a comprehensive authoritative and up to date survey of the field with a focus on the applied aspects of work and health psychology an unrivalled source of knowledge and references in the field for students and academics this edition also reflects the need to relate research to effective and realistic interventions in the workplace editors are outstanding leaders in their fields focuses on linking research to practice over 50 new chapters new topics include coping the psychological contract and health assessment and measurement of stress and well being the effects of change and chapters of conflict and communication

a new concept of leadership for today s educational needs generative leadership is an innovative approach that taps into an organization s collective intelligence this accessible resource examines the fundamental elements of generative leadership and provides tools to catalyze organizational development and personal leadership growth the authors identify four modalities of leadership and outline six hallmarks that can develop an individual s generative capacity generative leaders view learning communities as complex changing systems and are focused on deepening their

personal knowledge engaging in personal reflection promoting professional conversations harnessing creativity and innovation leading their organizations toward a desired future

become an artful leader and lead your employees and company to success also known as the bible for the business world leadership is an art explores how executives and managers can learn leadership skills that will build a better more successful organization you see author max de pree doesn't just discuss leadership as a hierarchy where those at the top intimidate those at the bottom to get things done instead he views leadership as stewardship and focuses on the importance of building relationships and creating a lasting value system within an organization an artful leader must be one that can enable others to reach their full potential and must take a role in developing expressing and defending the company's values good leadership is more than just leading a company to financial success it's more about fostering relationships across all areas within an organization as you read you'll learn how to build meaningful relationships how to motivate employees and how to become an elegant leader do you want more free book summaries like this download our app for free at [quickread.com](http://quickread.com) app and get access to hundreds of free book and audiobook summaries disclaimer this book summary is meant as a preview and not a replacement for the original work if you like this summary please consider purchasing the original book to get the full experience as the original author intended it to be if you are the original author of any book on quickread and want us to remove it please contact us at [hello@quickread.com](mailto:hello@quickread.com)
