a new international business text for a new and ever changing global environment

even though terrorism poses an increasing threat to multinational companies corporate leaders can thwart attacks by learning to navigate the complexities of foreign governments social unrest and cultural dissonance multinational corporations are on the front lines of terrorism and cyberattacks two of the world's biggest threats to global security how can corporate leaders mitigate their organizations risks and

develop an infrastructure that detects and deters a security menace before it happens this timely reference lays out essential political context and historical background to help executives identify contemporary threats and understand the interconnections between threat dynamics in an increasingly dangerous international environment this compelling work is organized into seven chapters the beginning chapters profile the specific risks for multinational companies and detail which global and regional factors might propagate violence targeted at american based businesses next two historical case studies on terrorist assaults at tignatourine and mombasa illustrate how counterterrorism can successfully thwart potential attacks against business targets the final part describes industrial espionage and criminal activity and then outlines a corporate counterterror blueprint to combat the prospect of terrorism providing specific recommendations for preventative measures

seminar paper from the year 2004 in the subject business economics business management corporate governance grade 2 3 b university of hannover corporate management organisation course seminar cooperation and leadership in an international business context language english abstract internationalization is an omnipresent phenomenon in our world today no one thinks explicitly about internationalization when one buys a book at amazon or goes to mc donald s for lunch these are only two examples for big multinational companies which are doing business worldwide international trade and cross border business connections have quite a long history the first large trade network was the hanseatic league in the middle ages which was located in north and middle europe now there are even bigger communities like the eu or the nafta 1 beside these there are also political institutions like the oecd2 the world bank or the world trade organisation wto which influence and support worldwide business activities but what does the term international management mean and why becomes it more and more important for us management characterize the control and coordination activities concerning goal oriented organizations 3 these activities occur in the first place in the domestic business of companies but much more complex is the management in international business which is defined as the study of transactions taking place across national borders for the purpose of satisfying the needs of individuals and organizations 4 1 north american free trade agreement founded in 1994 by canada mexiko and the usa 2

organisation for economic co operation and development 3 thomae 2002 p 17 4
