this book offers a compelling exploration of margaret thatcher s approach to european integration during the years of her premiership providing a nuanced portrait of one of the most fascinating and influential political figures of recent decades drawing on extensive archival research and featuring excerpts from speeches private papers statements and interviews this study reevaluates thatcher s european legacy by

revealing the complex evolution of her european policy during the 11 years of her premiership 1979 1990 challenging conventional narratives zanetti deconstructs the image of thatcher as the master of british euroscepticism and precursor to brexit arguing instead that she was an asset to european integration although in her own terms her approach was fundamentally guided by her primary role as british prime minister adapting both rhetoric and action to secure national interests while engaging pragmatically with the european community throughout her premiership thatcher consistently chose to fight difficult and unpopular battles on the european stage positioning herself as a passionate and constructive critic whose vision for europe s future was often divergent from that of other european leaders this work will appeal to students and scholars of european integration british political history and international relations as well as anyone seeking to more accurately understand the complex relationship between thatcherism and brexit

this book aims to present a coherent picture of germany s european policy during merkel s chancellorship at the same time it traces the development of the eu in the period 2005 2021 accordingly the european crises and the internal and external threats to the integration community are addressed as well as the jointly developed solutions thus on the one hand the book shows what germany was willing to do for europe on the other it reveals how the eu was able to develop further as the most important point of reference for german politics and power

this book provides a comprehensive and up to date overview of eu azerbaijan relations it examines the current state of azerbaijan and its regime charts the development of eu azerbaijan relations over time and discusses the dynamics at work in the relationship it details the nature of the azerbaijani regime including its authoritarian character and allegations of corruption explores the differences between european values and the values of the azerbaijani government and explains the difficulties that have arisen in the relationship including the nagorno karabakh conflict resolution process media suppression and human rights violations the book includes a comparison with eu relations with other states in the region

digitalization sustainable development and industry 5 0 offers cutting edge multidisciplinary research with expert insights on the technologies and strategies businesses use in the twin transition process

this open access book explores the new complexities and ambiguities that epitomize eu turkey relations with a strong focus on the developments in the last decade the book provides full access to a comprehensive understanding of the multifaceted relationship through three entry points 1 theories and concepts 2 institutions and 3 policies part i brings together complementary and competing analytical approaches to study the evolution of eu turkey relations ranging from traditional integration theories to novel

concepts part ii investigates the institutional machinery of eu turkey relations by analyzing the roles and perspectives of the european council the european commission and the european parliament part iii offers analyses of the policies most relevant for the relationship enlargement policy trade and macroeconomic policies foreign and security policy migration and asylum policies and energy policy in part iv the volume closes with a systematic survey of the conditions under which cooperative trends in eu turkey relations could be re invigorated the systematic setup and the balanced combination of distinguished experts from eu and turkey based institutions make this book a fundamental reading for students researchers lecturers and practitioners of eu turkey relations european integration and turkish foreign policy

the ec council press ethical hacking and countermeasures series is comprised of four books covering a broad base of topics in offensive network security ethical hacking and network defense and countermeasures the content of this series is designed to immerse the reader into an interactive environment where they will be shown how to scan test hack and secure information systems a wide variety of tools viruses and malware is presented in these books providing a complete understanding of the tactics and tools used by hackers the full series of books helps prepare readers to take and succeed on the c eh certification exam from ec council important notice media content referenced within the product description or the product text may not be available in the ebook version

this broad and all encompassing study focuses on europe s new policy agendas it brings together international academic experts on a range of policies to discuss europe s place in the world and its relationship to the usa and beyond this book concentrates on two key themes of particular salience for policy makers the enlargement of the eu and the place of europe in international politics an expansive list of important policy areas within these themes is explored including enlargement political and constitutional implications and international socialization of central and eastern europe europe and the usa security and defence policy trade finance and development institutional development and external relations in justice and home affairs before and after september 11 international terrorism eu immigration and asylum and borders policy human rights and civil rights agriculture environmental policy and regional policy pensions and ageing in europe this book constitutes a major contribution to achieving a deeper understanding of european integration and the barriers to integration within the context of global and multi level governance as such it will be of enormous interest to an extensive audience including academics researchers students policy makers and practitioners in the fields of political studies international relations public policy european studies us studies and security studies

can the eu be held legally responsible for its contributions to human rights harms in its

integrated border management policy or do systemic legal design flaws in the eu s human rights responsibility regime give rise to a significant responsibility gap this book delves into these pressing questions offering a transversal analysis of applicable legal frameworks under international and eu law divided into three parts the book first analyses the international and eu human rights responsibility frameworks revealing both normative incongruency as well as liability incongruency part two applies these frameworks to specific illustrations within the four tiers of the eu s integrated border management exposing the critical points where responsibility falters building on these findings and drawing from shared responsibility and relationality theories part three briefly introduces relational human rights responsibility as an alternative method to ascertaining human rights responsibility of the eu specifically and international organisations more generally

this open access book investigates the complexity and the modalities of securitization of migration and border control at the eu level it discusses and compares how different eu institutions and agencies have been deploying different logics of security e g humanitarianism or management of risk while framing increased migratory flows and so called migration crisis as a security problem the book argues that the re development of eu migration and border control policies in response to increased migratory flows of 2015 have revealed an increasingly tangled nature of securitization of migration in the eu this is reflected in the intertwining of security logics where migrants and human mobility tend to be securitized through different sometimes multiple interpretative lenses at different stages of policy framing from a theoretical point of view the book develops a fresh analytical perspective that further contributes to burgeoning discussion on securitization theory by bridging the literature on policy framing and securitization it makes a significant contribution to the debates on both securitization and migration as such this book is of great interest to students academics policy makers and all those working in the fields of eu politics migration security and international relations

brexit has irrevocably transformed british politics yet its effects are not confined to relations between the uk and the eu venturing beyond the already vast literature on brexit this dynamic handbook explores the implications of the uk s withdrawal from the eu for the eu itself single countries within and beyond europe and the international system as well as different social groups generations and territories within the uk

eurozone dystopia traces the origin of the eurozone and shows how the historical franco german rivalry combined with the growing dominance of neo liberal economic thinking to create a monetary system that was deeply flawed and destined to fail it argu
