in the first book length treatment of elizabeth von arnim s fiction isobel maddison examines her work in its historical and intellectual contexts demonstrating that von arnim s fine comic writing and complex and compelling narrative style reward close analysis organised chronologically and thematically maddison s book is informed by unpublished material from the british and huntington libraries including correspondence between von arnim her publishers and prominent contemporaries such as h g wells bertrand russell and her cousin katherine mansfield whose early modernist prose is seen as indebted to von arnim s earlier literary influence maddison s exploration of the novelist s critical reception is situated within recent discussions of the middlebrow and establishes von arnim as a serious author among her intellectual milieu countering the misinformed belief that the author of such novels as elizabeth and her german garden the caravaners the pastor s wife and vera wrote light hearted fiction removed from gritty reality on the contrary various strands of socialist thought and von arnim s wider political beliefs establish her as a significant author of british anti invasion literature while weighty social issues underpin much of her later writing

this book examines the lives and tenures of all the consorts of the tudor and stuart monarchs of england between 1485 and 1714 as well as the wives of the two lords protector during the commonwealth the figures in tudor and stuart consorts are both incredibly familiar especially the six wives of henry viii and exceedingly unfamiliar such as george of denmark the husband of queen anne these innovative and authoritative biographies recognise the important role consorts played in a period before constitutional monarchy in addition to correcting popular assumptions that are based on limited historical evidence the chapters provide a fuller picture of the role of consort that goes beyond discussions of exceptionalism and subversion this volume and its companions reveal the changing nature of english consortship from the norman conquest to today

like the works already published these latest volumes of the biographical dictionary deal with theatre people of every ilk ranging from dressers and one performance actors to trumpeter john shore inventor of the tuning fork and the incomparable sarah siddons also prominent is susanna rowson a novelist actress and early female playwright although born into a british military family rowson often wrote plays that dealt with patriotic american themes and spent much of her career on the american stage the theatrical jewel of these volumes is the divine sarah siddons she raised the tragedy to the skies wrote william hazlitt and embodied to our imagination the fables of mythology of the heroic and dignified mortals of elder time she endured much tragedy herself including a crippling debilitating illness and the deaths of five of her seven children siddons played major roles in both comedy and tragedy not the least of which was a performance as hamlet

the open book is a provocative study of literary influence at work in english writing from hardy to woolf jensen reimagines the links between text and context as she endeavors to historicize literary influence by taking bloomian anxiety and kristevan intertextuality into fields of actual history and biography jensen both borrows from and deconstructs the ideas of these theorists as she reads the texts of hardy stephen woolf mansfield and middleton murry by doing so the open book offers a fresh and pragmatic opening onto the relation between personal cultural and institutional history on the one hand and literary history on the other

st katherine of alexandria was one of the most popular saints in both the orthodox and latin churches in the later middle ages yet there has been little study into the way in which her cult developed before c 1200 this new book redresses the balance providing a thorough examination of the way the cult spread from the greek speaking lands of the eastern mediterranean and into western europe
