the notion that social protection should be a key strategy for reducing poverty in developing countries has now been mainstreamed within international development policy and practice promoted as an integral dimension of the post washington consensus all major international development agencies and bilateral donors now include a strong focus on social protection in their advocacy and programmatic interventions and a commitment to providing social protection was recently enshrined within the sustainable development goals the rhetoric around social protection particularly when delivered in the form of cash transfers has sometimes reached hyperbolic proportions with advocates seeing it as a magic bullet that can tackle multi dimensional problems of poverty vulnerability and inequality and a southern led success story that challenges the unequal power relations inherent within international aid the politics of social protection in eastern and southern africa challenges the common conception that this phenomenon has been entirely driven by international development agencies instead focusing on the critical role of political dynamics within specific african countries it details how the power and politics at multiple levels of governance shapes the extent to which political elites are committed to social protection the form that this commitment takes and the implications that this has for future welfare regimes and state citizen relations in africa it reveals how international pressures only take hold when they become aligned with the incentives and ideas of ruling elites in particular contexts it shows how elections the politics of clientelism political ideologies and elite perceptions all play powerful roles in shaping when countries adopt social protection and at what levels which groups receive benefits and how programmes are delivered

this fifteenth volume of india s national security annual review undertakes an incisive analysis of india s endeavours to maximise its gains with respect to its strategic partners the volume also focuses on the new dynamism that india has injected in its relations with countries in the middle east and the asia pacific india s threat perceptions in its extended security zone critical aspects of its strategic preparedness and complex issues regarding its internal security have been thoroughly examined

this book provides an overview of the global pharmaceutical pricing policies medicines use is increasing globally with the increase in resistant microbes emergence of new treatments and because of awareness among consumers this has resulted in increased drug expenditures globally as the pharmaceutical market is expanding a variety of pharmaceutical pricing strategies and policies have been employed by drug companies state organizations and pharmaceutical pricing authorities

this comprehensive handbook prepared by leading ocean policy academics and practitioners from around the world presents in depth analyses of the experiences of fifteen developed and developing nations and four key regions of the world that have taken concrete steps toward cross cutting and integrated national and regional ocean policy all chapters follow a common framework for policy analysis while most coastal nations of the world already have a variety of sectoral policies in place to manage different uses of the ocean such as shipping fishing oil and gas development in the last two decades the coastal nations covered in the book have undertaken concerted efforts to articulate and implement an integrated ecosystem based vision for the governance of ocean areas under their jurisdiction this includes goals and procedures to harmonize existing uses and laws to foster sustainable development of ocean areas to protect biodiversity and vulnerable resources and ecosystems and to coordinate the actions of the many government agencies that are typically involved in oceans affairs the book highlights the serious conflicts of use in most national ocean zones and the varying attempts by nations to follow the prescriptions emanating from the 1982 un law of the sea convention and the outcomes of the 1992 2002 and 2012 sustainable development summits the interrelationship among uses and processes in the coast and ocean requires that ocean governance be integrated precautionary and anticipatory overall the book provides a definitive state of the art review and analysis of national and regional ocean policies around the world

this book is the first to provide comprehensive and comparative analyses to conceptualise the interaction between hegemonic structures and those actors resisting them using the iranian nuclear case as an illustration it analyses the foreign policies of china russia and turkey towards the iranian nuclear programme and thereby answers the question to what extent these policies are indicative of a security culture that resists hegemony based on 70 elite interviews with experts and decision makers closely involved with the iranian nuclear file it analyses resistance to hegemony across its ideational material and institutional framework conditions

this book examines indonesia s strategies and policies to influence regional cooperation in the indo pacific focusing especially on indonesia s efforts to be the maritime fulcrum in the indo pacific during president joko widodo s jokowi administration from 2014 until the present highlighting the importance of indonesia as the largest country in southeast asia and as a founder member of asean the book based on extensive original research provides key insights into indonesia s maritime policy decision making since 2014 it discusses the domestic political context in which foreign policy decisions are made provides an explanation for indonesia s efforts to project its vision of indo pacific cooperation at the asean level and beyond and demonstrates how indonesia strives to maintain a delicate balance in its interactions

with major powers in the region including the united states china and japan
