a magisterial and landmark work one that merits wide and thoughtful readership not only by historians but more important by those of us who count on historians to tell us truly about our past new york times a testament to the resilience of the black spirit faced with a primitive and largely conscienceless regime bertram wyatt brown south atlantic quarterly this volume does much more than merely present a rich collection of judiciously selected and skillfully edited sources of the history of slavery in the process it reveals a host of large as life slaves and ex slaves kale the precocious eleven year old mende of the amistad rebels who quickly learned to write eloquent and polished english harry mcmillan of beaufort south carolina who talked frankly of black love and marriage charlotte burris of kentucky so afflicted that her husband was permitted to buy her for only 25 00 as much as i was worth she self effacingly said and many more this illumination of the slave as an individual is really what the book is all about journal of southern history a mammoth presentation of two centuries of slave recollections extraordinary firsthand narratives that should become the premier reference volume on the slave experience for years to come columbia sc state the largest collection of annotated and authenticated accounts of slaves ever published in one volume so valuable a compilation is

this study that its real worth cannot be measured for some time to come richmond news leader

given the rise of new interdisciplinary and methodological approaches to african american and black atlantic studies the oxford handbook of the african american slave narrative will offer a fresh wide ranging assessment of this major american literary genre the volume will begin with articles that consider the fundamental concerns of gender sexuality community and the christian ethos of suffering and redemption that are central to any understanding of slave narratives the chapters that follow will interrogate the various agendas behind the production of both pre and post emancipation narratives and take up the various interpretive problems they pose strategic omissions and veiled gestures were often necessary in these life accounts as they revealed disturbing too painful truths far beyond what white audiences were prepared to hear while touching upon the familiar canonical autobiographies of frederick douglass and harriet jacobs the handbook will pay more attention to the under studied narratives of josiah henson sojourner truth william grimes henry box brown and other often overlooked accounts in addition to the literary autobiographies of bondage the volume will anatomize the powerful wpa recordings of interviews with former slaves during the late 1930s with essays on the genre s imaginative afterlife its final essays will chart the emergence and development of neoslave narratives most notably in styron s the confessions of nat turner toni morrison s beloved and octavia butler s provocative science fiction novel kindred in short the handbook will provide a long overdue assessment of the state of the genre and the vital scholarship that continues to grow around it work that is offering some of the most provocative analysis emerging out of the literary studies discipline as a whole

for centuries social and economic relations within the atlantic space were dominated by slavery and the transatlantic slave trade from africa to the americas by the slowly and arduously achieved end of this trade slave labour in the americas was replaced in many cases by other forms of coerced labour of african caribbean people or indian chinese african or european immigrants this book focuses on the transformation of societies after the slave trade and slavery in a comparative intercontinental perspective it combines micro and macro historical approaches and looks at the agency of slaves missionaries abolitionists state officials seamen and soldiers

current research on literacy often conceives space as a container within which social practice occurs in sharp contrast this edited collection argues that literary practice and social space are produced in relation to one another contributors to this collection consider how a spacial analysis provides entirely new information for the interpretation of literary practice traversing geography and literacy studies drawing on bakhtin deleuze and guattari lefebvre soja and a range of other theorists contributors analyze space literacy relations in diverse settings including classrooms prisons streets institutional programs homes and the popular media

the ties that bind explores the close affinities that bound together anti slavery activists in britain and the usa during the middle decades of the nineteenth century shedding important new light on the emergence of a vibrant and broad based political culture that forced abolition to the centre of public debate

the narratives in this volume include tales of africa pirate ships wild animals witches a slave who had ten owners and another who led a rebellion that killed fifty five whites the kidnapping of a white woman and her rescue by a slave the nightmarish tortures of the infamous mr gooch the tragicomic experiences of a pair of white slaves and the story of the original uncle tom

bachelor thesis from the year 2019 in the subject english language and literature studies

literature grade 1 8 technical university of braunschweig institut für anglistik und amerikanistik language english abstract the slave narrative played a crucial role in the period of the abolitionist movement and thus became an important genre of american literature the majority of slave narratives were written by men and therefore the experiences of most slaves were told from a male perspective one of the most popular female slave narratives however is incidents in the life of a slave girl written by harriet ann jacobs she was the first fugitive female slave who published a full length narrative under the pseudonym linda brent in 1861 as the opening quote shows harriet jacobs work deals with the unique experiences of female slaves she addresses sensitive topics such as physical abuse and sexual violence in order to emphasize that women experienced slavery differently than for example black men or white women female slaves were not only faced with racism but also sexism classism and many other forms of oppression against this background this thesis suggests that linda brent s experiences during slavery are a prime example for intersectionality it is designed in order to critically analyze the experiences and oppression of female slaves on the basis of the narrative incidents in the life of a slave girl

utilizing key selections from american literature this volume aligns with ela common core standards to give students a fresh perspective on and a keener understanding of slavery in the united states slavery is a central feature of american history one with which the nation still has not come fully to terms in this book that seminal topic is examined in a fresh way through literature organized chronologically to show evolving attitudes toward american slavery in the 19th century the work focuses on four key 19th century texts that are frequently taught using them as a gateway for understanding this critical period and why slavery had to be destroyed if the union was to be maintained in addition to examining the four works frederick douglass s narrative of the life of frederick douglass harriet beecher stowe s uncle tom s cabin harriet jacobs s incidents in the life of a slave girl and mark twain s huckleberry finn the book also provides numerous historical documents that contextualize slavery in the literary texts these documents make it dramatically clear why issues such as abolition and the fugitive slave law of 1850 were so controversial for 19th century americans aligned with the ela common core standards the title supports history teachers with insights into classic literary works and it enhances the english curriculum with rich elaborations of relevant historical context

neoslave narratives is a study in the political social and cultural content of a given literary form the novel of slavery cast as a first person slave narrative after discerning the social and historical factors surrounding the first appearance of that literary form in the 1960s neoslave narratives explores the complex relationship between nostalgia and critique while asking how african american intellectuals at different points between 1976 and 1990 remember and use the site of slavery to represent the crucial cultural debates that arose during the sixties

these autobiographies of afro american ex slaves comprise the largest body of literature produced by slaves in human history the book consists of three sections selected reviews of slave narratives dating from 1750 to 1861 essays examining how such narratives serve as historical material and essays exploring the narratives as literary artifacts

in the course of explaining the causes and context of the uprising reis provides a fascinating social history of urban life and the african community in a city that was and is one of the most important centers of african culture in the americas american historical review
