this volume takes a broad perspective on the recent debate on the role of german ordoliberalism in shaping european economic policy before and after the eurozone crisis it shows how ordoliberal scholars explain the institutional origins of the eurozone crisis and presents creative policy proposals for the future of the european economy ordoliberal discourse both attempts to offer political solutions to socioeconomic challenges and to find an ideal market order that fosters individual freedom and social cohesion this tension between realpolitik and economic utopia reflects the wider debate on how far economic theory shapes and is shaped by historical contingencies and institutions the volume will be of interest to policymakers as well as research scholars and graduate students from various disciplines ranging from economics to political science history and philosophy

in this second edition of roger e olson s classic work he thematically traces the contours of christian belief down through the ages revealing a pattern of both unity and diversity he finds a consensus of teaching that is both unitive and able to incorporate a faithful diversity when not forced into the molds of false either or alternatives

why is there such a deep divide between evangelical and liturgical churches especially when it comes to worship how did this unfortunate evangelical liturgical dichotomy develop and what can be done about it in this book melanie ross draws on historical analysis systematic theology and the worship life of two vibrant congregations to argue that the common ground shared by evangelical and liturgical churches is much more important than the differences than divide them as a longtime evangelical church member who is at the same time a teacher of liturgical studies ross is well qualified to address this subject and she does so with passion and intelligence evangelical versus liturgical is an important addition to the scant literature explaining nondenominational worship practices to those from more historically established liturgical traditions

the pentecostal movement currently the second largest christian constituency after the roman catholic church is the most rapidly

growing christian movement in history it has grown from zero to almost 500 million in one century pentecostals are known for energetic evangelism and mission they are often accused of proselytism and the lack of social concern in their mission the international dialogue between pentecostals and the roman catholic church has dared to have another look at these vital issues affecting the rest of the church the fourth round 1990 1997 of the dialogue started in 1972 focused on mission proselytism and common witness the present study written at the institute for ecumenical and cultural research collegeville minnesota usa under the mentorship of kilian mcdonnell osb the co founder and co chair of the international roman catholic pentecostal dialogue highlights the similarities and differences in mission and related issues between these two largest christian families

this one volume reference book dramatically illustrates how worship can reflect changing times and yet remain a constant occasion for encounter with the living god in considering the significant liturgical developments that have occurred during recent years the dictionary takes into account modifications in both the form and the understanding of worship this dictionary is of particular value as a convenient reference for teachers and students for use in classes and for pastors and worship committees in churches

at the sixtieth anniversary of sacrosanctum concilium the situation on the ground for catholics is more chaotic than ever a liturgical reform meant to usher in a new age of full churches and ecumenical rapprochement delivered neither instead churches are emptying and closing at an unprecedented rate meanwhile an ancient old rite grown to maturity in the middle ages encrusted with baroque pearls and officially pronounced dead in the 1960s has made an astonishing return around the world tolerated by paul vi permitted worldwide by john paul ii declared free for everyone by benedict xvi and most recently put under ban once more by francis the tridentine mass remains a powerful and polarizing reality in the church of rome an ark of holiness and beauty to the priests and faithful who love it a belligerent backwardism to those who seek its abolition in this state of spiritual civil war questions of authority and obedience are never far from anyone s mind bound by truth grapples with the
