the fundamental objective of this book is to define the meaning of faith in the lord god jesus christ in yourself and in the wonderful things in store for the future i have always believed that god is in total control of each of our lives and that he has a plan for profound greatness on our behalf you have the opportunity to achieve the greatness for which god has in store for your life and it is your responsibility to do exactly that god has loved us all unconditionally prior to the day for which we were brought into the world no matter where you are in your life or what you may have done he will always lead you in the right direction if you ask him to you were put on earth to bring about a positive impact into the lives of others this is your purpose for being here to fulfill your purpose you were given many gifts from god to do so it is up to you to reach out to god in prayer and as time goes on you will not only achieve what god has in store but you will ultimately become the person that he created you to be

while reading this book you will come across the word individual an awful lot the clear objective of this book is to inspire people to look at themselves as individuals as it pertains to making the world a stronger and prosperous place for future generations i emphasize the importance of individual responsibility hard work self determination and personal integrity in this book i thoroughly advocate the significance in young adults to receive a world class education i emphasize the need for individuals to exemplify the judeo christian principles upon which the united states was founded free enterprise individual liberty and personal responsibility as we continue to wake up every morning in a broken society we should not continue to ignore the perils of it in this book you will learn the tools in making our society better you will learn of the importance in receiving an education and you will obtain a set of core values and principles in which to live by also i would like for you to take what you have learned from this book and pass it onto the others pressing the significance in advancing a prosperous world

an up close look at the education arms race of after school learning academic competitions and the perceived failure of even our best schools to educate children beyond soccer leagues music camps and drama lessons today s youth are in an education arms race that begins in elementary school in hyper education pawan dhingra uncovers the growing world of high achievement

education and the after school learning centers spelling bees and math competitions that it has spawned it is a world where immigrant families vie with other americans to be at the head of the class putting in hours of studying and testing in order to gain a foothold in the supposed meritocracy of american public education a world where enrichment centers like kumon have seen 194 percent growth since 2002 and target children as young as three even families and teachers who avoid after school academics are getting swept up drawing on over 100 in depth interviews with teachers tutors principals children and parents dhingra delves into the why people participate in this phenomenon and examines how schools families and communities play their part moving past tiger mom stereotypes he addresses why asian american and white families practice what he calls hyper education and whether or not it makes sense by taking a behind the scenes look at the scripps national spelling bee other national competitions and learning centers dhingra shows why good schools good grades and good behavior are seen as not enough for high achieving students and their parents and why the education arms race is likely to continue to expand
