Long ago, Susan Rodriguez was Harry's Dresden's lover until she was attacked by his enemies, leaving her caught between humanity and the relentless bloodlust of the vampiric Red Court. She disappeared to South America where she could fight both her savage gift and those who cursed her with it. Now she needs Harry's help more than ever for the vengeful Duchess of the Red Court has discovered a secret Susan has long kept from everyone, including Harry, and she plans to use it to prevail. Harry may have to unleash the full fury of his untapped power, and he may have no choice but to embrace the darkness within himself because this time he's fighting to save his child.

In the first novel in the #1 New York Times bestselling Dresden Files series, Harry Dresden's investigation of a grisly double murder pulls him into the darkest depths of magical Chicago. As a professional wizard, Harry Dresden knows firsthand that the everyday world is actually full of strange and magical things, and most of them don't play well with humans. And those that do enjoy playing with humans far too much. He also knows he's the best at what he does. Technically, he's the only one at what he does. But even though Harry is the only game in town, business to put it mildly, stinks. So when the Chicago P.D. brings him in to consult on a double homicide committed with black magic, Harry's seeing dollar signs. But where there's black magic, there's a black mage behind it. And now that mage knows Harry's name. A great series, fast-paced, vividly realized, and with a hero narrator who's excellent company. Cinescape
