to save the federation and the entire alpha quadrant captain janeway made the ultimate sacrifice deleting species 8472 s data on opening a singularity into normal space now voyager is stranded in fluidic space and 8472 wants them dead hunted by a relentless alien fleet janeway and her crew go on the run weaving through planets and asteroid fields in a desperate bid to survive but just as hope begins to fade voyager s sensors detect something unexpected the wreckage of a borg cube is it a lifeline back to the galaxy they call home or the beginning of an even greater threat

captain kathryn janeway and her crew are back for one last adventure in celebration of voyager s 30th anniversary picking up where the series finale left off voyager has just returned to earth everyone is looking forward to reuniting with their friends and family after the crucibles they ve faced but there is a deadly secret in store one that takes the crew far from home voyager delves back into the breach all those aboard determined to make it back to their loved ones no matter what even if there s hell to pay star trek prodigy consultants tilly and susan bridges monster high star trek adventures fallout ttrpg have teamed up with sons of star trek artist angel hernandez star trek deep space nine the dog of war godzilla here there be aliens to spin a heart pounding tale that pays homage to all that came before and delivers the ending fans have waited decades for

moments before returning to earth the crew of voyager are betrayed by insurgents hidden on board with her ship s deflector dish broken and the ship itself out of her control janeway must convince the aliens that starfleet means them no harm if she s ever going to get her found family home if that weren t enough to handle there s a ticking clock to contend with tuvok s disease has accelerated and he must get home to mind meld with a family member to cure himself with fal tor voh before it s too late

stuck between a rock and a hard place captain janeway and the voyager crew agree to ally with a collection of borg deep in fluidic space and seven plunges into the

collective they may be borg but there s something strange about them something alluring especially when it comes to a particularly individualistic member nine together nine and seven might be able to build a deflector and help their crew members escape back to normal space but that s assuming they stay hidden from species 8472 bent on their elimination

after seven long years in the delta quadrant the crew of the starship voyager now confront the strangest world of all home for admiral kathryn janeway and her officers voyager s miraculous return to planet earth brings new honours and new responsibilities for some there are reunions with long lost loved ones while for others such as the doctor and seven of nine there is the challenge of forging new lives in a federation that seems to hold little place for them but even as janeway and the others go their separate ways pursuing new horizons and opportunities a strange cybernetic plague strikes earth transforming men women and children into a new generation of borg soon the entire planet faces assimilation and voyager newly returned from the heartland of the borg may be to blame

the jedi order is in crisis the late jacen solo s shocking transformation into murderous sith lord darth caedus has cast a damning pall over those who wield the force for good two jedi knights have succumbed to an inexplicable and dangerous psychosis criminal charges have driven luke skywalker into self imposed exile and power hungry chief of state natsi daala is exploiting anti jedi sentiment to undermine the order s influence within the galactic alliance forbidden to intervene in jedi affairs luke is on a desperate mission to uncover the truth behind jacen s fall to the dark side and to learn what s turning peaceful jedi into raving lunatics but finding answers will mean venturing into the mind bending space of the kathol rift and bargaining with an alien species as likely to destroy outsiders as deal with them still there is no other choice and no time to lose as the catastrophic events on coruscant continue to escalate

stricken by the same violent dementia that infected her brother valin jedi knight jysella horn faces an equally grim fate after her capture by natasi daala's police and when han and leia solo narrowly foil another deranged jedi bent on deadly destruction even acting jedi grand master kenth hamner appears willing to bow to daala's iron will at the expense of the jedi order but an even greater threat is looming millennia in the past a sith starship crashed on an unknown low tech planet leaving the survivors stranded over the generations their numbers have grown the ways of the dark side have been nurtured and the time is fast approaching when this lost tribe of sith will once more take to the stars to reclaim their legendary destiny as rulers of the galaxy only one thing stands in their way a name whispered to them through the force skywalker features a bonus section following the novel that includes a primer on the star wars expanded universe and over half a dozen excerpts from some of the most popular star wars books of the last thirty years

the fifth instalment of the blockbuster multibook series star wars fate of the jedi

seven years ago the uss voyager embroiled in a three way conflict with federation maquis renegades and the cardassian warship that was pursuing them took evasive action and found itself flung by means of a strange alien technology to the furthest corner of the galaxy the unexplored delta quadrant many thousands of lightyears from home more than 170 episodes later captain kathryn janeway and her crew have encountered planets races civilisations and phenomena unseen by any other federation eyes but no matter the space they have explored or the obstacles they have overcome their goal has always been the same the impossible journey home will the uss voyager make it back to federation space and will her crew ever be reunited with those they left behind here is the first chance for uk fans to find out in full what happens in the final emotive conclusion of the voyager story

luke and ben skywalker continue on their quest to learn the ways of non jedi force

users and to try to understand just what went wrong with Jacen Solo that caused him to become a Sith in the meantime Han, Leia, and Jaina Solo along with Jag Fel and the other Jedi try to deal with the escalating problem of Jedi Knights seemingly going insane

This thrilling adventure from Star Trek Voyager follows Kathryn Janeway and her crew as they return home only to face a devastating plague after seven long years in the Delta Quadrant. The crew of the USS Voyager now confront the strangest world of all home for Admiral Kathryn Janeway and her stalwart officers. Voyager's miraculous return brings new honors and responsibilities, reunions with long-lost loved ones, and for some such as The Doctor and Seven of Nine, the challenge of forging new lives in a Federation that seems to hold little place for them. But even as Janeway and the others go their separate ways pursuing new adventures and opportunities, a mysterious cybernetic plague strikes Earth, transforming innocent men, women, and children into an entirely new generation of Borg. Now the entire planet faces assimilation, and Voyager may be to blame.

As the cosmos unravels, the disruption in the space-time continuum caused by the creation of the Blue Eye Singularity continues. Thread by thread, the fabric slowly frays and peels away, breaking down barriers between dimensions. As the lines between realities blur, the consequences cascade. A sleeping city awakes. Voyager pursues Tuvok to a long-dormant space station, a place of astonishing grandeur and wonder, ancient almost beyond imagining. The city seduces the crew with the promise that their greatest aspirations might be realized. Such promise requires sacrifice, however, and the price of fulfilling them will be high. For Voyager, a mysterious power stirs unseen sentries alarmed by Voyager's meddling in the Monoharan system. Send emissaries to ascertain Janeway's intentions. Unbeknownst to the captain, she is being tested and must persuade her evaluators that their contention that Voyager poses a threat to the

delicate web of cosmic ecology is baseless and failure to vindicate her choices will bring certain retribution to her crew
