essay on the legal status of women in british law and her own personal experience with leaving her husband in 1836 and the legal aftermath pages 18 21 discuss legal cases involving enslaved persons in british colonies and the united states

first published in 1957 the english woman in history displays the place women have held and the influence they have exerted within the changing pattern of english society ever since the days of queen elizabeth i the position of women in english society has been a matter of general debate in the seventeenth century many men produced books in praise of women following the example of thomas heywood most of these books were devoted to the praises of individual women but their authors generally produced arguments against subjection of all women to the unthinking dominance of men while married women were still legally subject to their husbands and no women were allowed to take part in public affairs it was impossible to write objectively about women s place in the world the women who at the end of the seventeenth century began to write were generally fired by a sense of injustice and men tended to write condescendingly of charm and beauty which interested them more than intelligence and wit now that women are bearing public responsibilities with success it is possible for historians to look back dispassionately over the centuries and trace the stages by which this position has been won it is a survey of this nature which lady stenton has attempted in this book this is a must read for students and scholars of women s history gender studies and women s movement

this guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible concentrating on major writers and works it covers translations out of many languages from greek to hungarian korean to turkish for some works e g virgil s aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions elsewhere with less familiar literatures the guide examines the extent to which translation has done justice to the range of work available

the volume investigates the voice of women writers in the development of literary studies and interrogates how scholars read and teach women s literary texts these issues are still crucial for women s and gender studies today and deserve to be properly investigated and constantly updated the various essays collected here examine how and to what extent

women across time and space experimented with new genres or forms of expression in order to transform question resist or paradoxically consolidate gender discriminations and dominant ideologies patriarchy colonialism slavery and racism imperialism religion and hetero sexuality women s voices and genealogies in literary studies in english is addressed to ma and phd students in women s and gender studies and to all those students or young scholars who are interested in gender methodologies as a mode of practice in literary criticism and analysis the authors of the volume share a long standing experience in women s and gender studies and in teaching english women s literature literary criticism and feminist methodologies and theories to students from different national origins

the present book traces the background to indian english women s fiction excluding the translated texts from the late nineteenth century novels of toru dutt krupabai sathianadhan and shevantibai m nikambe almost all the twentieth century major works of leading women writers such as kamala markandaya nayantara sahgal anita desai kamala das gita mehta shashi deshbande shobha de to the emerging novelists like anjana appachana namita gokhale githa hariharan manju kapur have been studied in depth to discuss the issues of marriage career and divorce the book attempts to delve into the life of educated women and traces the answers to the followings what kind of marriage should the women undergo arranged marriage or love marriage or love cum arranged marriage what is the difference between a job and a career what kind of career should they choose who is going to determine what career to choose what career options do the women have do women want separation or divorce and why what is the right time for divorce there are many other feministic issues which have been approached to realistically and analytically with special reference to several literary works the present book thus offers an in depth study of elite women on one hand and caters to the academic needs of students and researchers of indian english women fiction on the other the general readers will definitely find it a real eye opener and also interesting

this volume brings together contributions that explore the increasingly important roles that english plays in asia including its contribution to economic growth national imaginaries and creative writing these are issues that are political in a broad sense but the diversity of asian contexts also means that the social political and cultural ramifications of the spread of english into asia will have to be understood in relation to the challenges facing specific societies the chapters in the book collectively illustrate this diversity by focusing on

countries from south asia southeast asia and the asia pacific each country has two contributions devoted to it one paper provides an overview of the country s language policy and its positioning of english and another provides a critical discussion of creative expressions involving the use of english taken together the papers in the volume detail the most recent developments concerning the politics of english in asia

this collection shows the growth and development of english prose by extracts from the principal and most characteristic writers

papers presented at the national conference on dalit literature contents trends and concerns held at dehradun during 22 23 march 2009

this ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of english studies which marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of english language and literature within each of 24 major sections marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories the annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as james l harner s literary research guide modern language assn of america 1989 larger academic libraries will want marcuse s volume jack bales mary washington coll lib fredericksburg va library journal
