african americans have been part of the story of st louis since the city s founding in 1764 unfortunately most histories of the city have

overlooked or ignored their vital role allowing their influence and accomplishments to go unrecorded or uncollected that is until the publication of *Discovering African American St. Louis: A Guide to Historic Sites* in 1994 a new and updated 2002 edition is now available to take readers on a fascinating tour of nearly four hundred African American landmarks from the boyhood home of jazz great Miles Davis in East St. Louis, Illinois to the site of the house that sparked the landmark Shelley v. Kraemer court case. The maps, photographs, and text of *Discovering African American St. Louis* record a history that has been neglected for too long. The guidebook covers fourteen regions east and west of the Mississippi that represent St. Louis's rich African American heritage. In the words of historian Gary Kremer, "No one who reads this book and visits and contemplates the places and peoples whose stories it recounts will be able to look at St. Louis in the same way ever again."

Profiles of 100 prominent African Americans of St. Louis reveal challenges faced by Blacks throughout the 20th century. Men and women from fields including medicine, education, music, journalism, and business relate their experiences of racism, obstacles they overcame in their professions, and lessons that life has taught them. An introduction paints a picture of 100 years of the city's history. The book includes portraits of each person profiled. By Wiley Price, a prizewinning photojournalist for the St. Louis American. Wesley and Morris are affiliated with the Western Historical Manuscript Collection at the University of Missouri-St. Louis. Annotation copyrighted by Book News, Inc., Portland, OR.

With information on over 500 organizations, their founders, and membership, this unique encyclopedia is an invaluable resource on the history of African American activism. Entries on both historical and contemporary organizations include African Aid Society, African Americans for Humanism, Black Academy of Arts and Letters, Black Women's Liberation Committee, Minority Women in Science, National Association of Black Geologists and Geophysicists, National Dental Association, National Medical Association, Negro Railway Labor Executives Committee, Pennsylvania Freedmen's Relief Association, Women's Missionary Society, African Methodist Episcopal Church, and many more.

Black Americans in Congress, 1870-2007 provides a comprehensive history of the more than 120 African Americans who have served in the United States Congress from 1870 through 2007. Individual profiles are introduced by contextual essays that explain major events in congressional and U.S. history, illustrated with many portraits, photographs, and charts. House Document 108-224, 3d edition, edited by Matthew Wasniewski. Paperback edition. Questions that are answered include: How many African Americans have served in the U.S. Congress? How did Reconstruction, the Great Migration, and the post-World War II civil rights movement affect Black members of Congress?
