in his preface to this devotional commentary on the gospel of john meyer writes this is the gospel of the divine life of jesus the eagle has always been its recognised emblem as denoting its sublime and heavenly character and clearly in its diction its insight into the deepest truths its repeated testimony to the glory and deity of our lord it holds a unique place among the

records of his life it soars it holds fellowship with the throne its eyrie is in the heart of god and yet in one of its aspects this gospel is as much the record of the man christ jesus as of the only begotten son and for this it is of inestimable worth to all who desire to follow in his steps there is no part of scripture more conducive to the culture of the inner life and it is under this aspect that it is considered in the following pages this volume contains the following meditations the word john 1 1 the word in creation john 1 2 3 the word as light john 1 9 the word made flesh john 1 14 the word declaring the unseen god john 1 18 three memorable days john 1 23 29 37 the son of man john 1 51 the first miracle john 2 11 the temple of the body john 2 21 a psalm of life john 3 6 the shadow of the cross john 3 14 sent john 3 34 life as a fountain john 4 14 daring to act in faith john 4 50 the divine master workman john 5 17 the will of god john 5 30 the father s name john 5 43 the father s gift to the son john 6 37 the bread which gives and sustains life john 6 57 the words of jesus john 6 68 rivers of living water john 7 37 39 the penitent s gospel john 8 11 the light of life john 8 12 christ s absorption in his father john 8 28 made free by the son of god john 8 31 32 36 the glory of christ john 8 50 the works of god john 9 4 the blessed life of trust john 10 4 the ideal shepherd john 10 11 the work of an ungifted worker john 10 40 41 42 love s delays john 11 6 anointed for his burial john 12 3 falling into the ground to die john 12 24 the troubled saviour john 12 27 the world and its prince john 12 31 the true light of god s children john 12 35 36 the laver in the life of jesus john 13 5 heaven delayed but guaranteed john 13 36 many mansions john 14 2 the reality of which jacob s dream was the shadow john 14 6 christ revealing the father john 14 8 9 the great deeds of faith john 14 12 how to secure more and better prayer john 14 16 the other paraclete john 14 16 the three dispensations john 14 17 three paradoxes john 14 18 19 many mansions for god john 14 23 christ s legacy and gift of peace john 14 27 the story of the vine john 15 1 abide in me and i in you john 15 4 prayer that prevails john 15 7 the hatred of the world john 16 2 3 the work of the holy spirit on the world john 16 8 christ s reticence supplemented by the spirit s advent john 16 12 15 the conqueror of the world john 16 33 consecrated to consecrate john 17 19 the lord s prayer for his people s oneness john 17 21 23 the love that bound christ to the cross john 18 4 drinking the cup john 18 1 14 the hall of annas john 18 13 how it fared with peter john 18 16 the trial before caiaphas john 18 24 judas which betrayed him john 18 2 the first trial before pilate john 18 28 the second trial before pilate john 18 39 the seven sayings of the cross john 19 16 christ s burial john 19 40 the day of resurrection john 20 1 the lake of galilee john 21 1 peter s love and work john 21 15 the life plan of peter and john john 21 22

part of the genius of the gospel of john comes from how the author infuses the gospel message into every part of the gospel in the gospel of john a thematic approach jackson painter investigates john s literary theological strategy by identifying seven key themes and showing the reader how to detect them in any portion of the gospel as well as how to see the themes interacting with one another to create john s distinct theological message about jesus christ the son of god the author gives numerous examples of the elements and motifs that comprise the themes and presents three studies that illustrate how the themes interact students of the gospel of john will come away with a newfound ability to understand and interpret the gospel of john

john was written at a time when there were hundreds perhaps thousands of people still living who had walked with talked with or personally heard jesus christ as a result they had no trouble accepting his human existence but many had trouble identifying with the divinity of jesus christ today many accept the divinity of jesus but struggle with accepting the reality of his actual existence as a man in history john is intended to reconcile this dichotomy in john all the events surrounding jesus that he writes about were chosen to secure a specific result the most apparent example of this is in how john presents miracles john records eight miracles they are not in chronological order but were chosen in an order to progressively show jesus growing authority until even his enemies were forced to admit that only a deity could have performed them 1 the turning of water into wine 5 jesus walking on the sea of galilee 2 the healing of the nobleman s son 6 the giving of sight to the blind man 3 the curing of the paralytic at bethesda 7 the raising of lazarus from death 4 the feeding of the five thousand 8 the miraculous draught of fishes john is to be read in both the churches and by individual christians who are struggling in their perceptions of jesus and their faith in this book i have attempted to present the material in a way that provides a clear understanding of the message presented by its author

john is a remarkable gospel utterly different from the other three it reflects the unique insights of the man who was closest to

jesus while he was on earth and is full of concern that we should not just know about what jesus did but should also realize who he was it reflects too john s burden the believers in jesus should not be side tracked by erroneous teaching whether concerning jesus identity or the veracity of his claims he wanted believers to be absolutely sure that eyewitnesses jesus own words and his astonishing works all point to one who was truly god come in the flesh the living word the very glory of god among humanity john s collected evidence and proof all make the most compelling testimony to jesus right to demand our on going trust and obedience

unlike the other three gospels john is primarily theology not synoptic john s purpose is to prove that jesus is the son of god coeternal coessential and coequal with the father the preponderance of evidence john cites for the deity of jesus christ is so conclusive that those who stridently oppose the facts like the religious leaders of jesus day reveal a level of moral antagonism that merits condemnation only grace can conquer such animosity of heart and enable the mind to consider the gospel message that is the message of the gospel of john

almost two millennia ago jesus asked his disciples who do you say that i am and people have been asking the question ever since many answering the question today have a decidedly different view than peter offered in his faithful response in the early days of the church gnostics balked at jesus humanity today it s his divine nature that s under attack it seems almost monthly that new bestselling books appear detailing how alternative gospels portray an earthly jesus devoid of divinity the deity of christ by john f macarthur is a biblical defense of jesus deity and a clarion call for believers to rise up and defend this core doctrine both new and seasoned christians will benefit from macarthur s clear take on the relevant bible passages they will come away with rock solid assurance that jesus was indeed the unique son of god and a deeper more profound appreciation of christ s love for them

focusing on jesus coming to earth this commentary helps readers move beyond a cursory look at john s gospel into a deeper more accurate understanding

in this bst volume longtime pastor bruce milne provides a thoughtful exposition of john s gospel offering an accessible and reliable guide for exploring john s powerful portrait of christ milne sets the stage with introductory material on the authorship of john how it compares to the other three gospels and its purpose and theology

reprint of the original first published in 1865

the gospel of john answers the big question of how can a sinner have eternal life by believing in jesus christ this discounted two volume set john 1 11 and john 12 21 tells of jesus s claims and the works he performed to validate those claims proving he is the son of god and the savior of the world from the declaration of the word as god to christ s last words to his disciples join john macarthur as he explains each verse in a way that is both doctrinally precise and intensely practical

in his gospel john presented jesus as the son of god by painting portraits pictures of him the author of this volume displays twenty nine of these portraits for us to look at and even study the reader who observes these portraits carefully will come to know the lord jesus christ in new and deeper ways after each portrait is examined there are applications for daily living and simple study questions drawn from the portrait this book is all about jesus the living word set forth in the written word and is intended for individual and group use

the book of john reveals jesus christ as the son of god the one who is the divine self expression and fullness of god s glory john was a prophet a seer a lover an evangelist an author an apostle and a son of thunder while the gospels of matthew mark and luke provide the history of christ john s gospel unveils the mystery of christ we experience jesus as the lamb of god the good shepherd the kind forgiver the tender healer the compassionate intercessor and the great i am full of miracles living truths and wondrous works the gospel of john brings a heavenly perspective filled with inspiring revelations in every verse to read john s gospel is to encounter jesus our lives will never be the same once we enter the great magnificence of his presence and sit enthroned with him all you thirsty ones come to me come to me and drink believe in me so that rivers of living water will burst out from within you flowing from your innermost being just like the scripture says john 7 37 38

this book introduces the reader to the discipline of biblical theology in part one helyer discusses the central problem of the unity of the bible and the various options that have been proposed he then argues for a vital connection between the testaments forming one grand story of redemptive history and one central theme the coming kingdom of god part two takes up the theology of three major witnesses jesus paul and john in these three witnesses helyer finds the center of new testament thought he emphasizes the importance of jesus teaching as foundational for all the other the new testament witnesses without overlooking the diversity and individuality of the major witnesses he clearly demonstrates the theological unity that binds them together and provides the key to the enduring message of scripture

mark johnston guides us through john s account of jesus christ the son of god john takes us by the hand and leads us into the depths and mysteries of christ s person and wonders he has accomplished so that the reader should come to living faith in jesus as the christ the son of god and have eternal life in his name
