the award winning indigenous author of monkey beach shares tales from her family her life and her culture in march 2010 the canadian literature centre hosted award winning novelist and storyteller eden robinson at the 4th annual henry kreisel lecture robinson shared an

intimate look into the intricacies of family culture and place through her talk the sasquatch at home robinson s disarming honesty and wry irony shine through her depictions of her and her mother s trip to graceland the potlatch where she and her sister received their indian names how her parents first met in bella bella waglisla british columbia and a wilderness outing where she and her father try to get a look at b gwus the sasquatch readers of memoir indigenous literatures histories and cultures and fans of robinson s delightful poignant sometimes quirky tales will love the sasquatch at home robinson strikes sweetly at the commonality of people rather than narrowing in on cultural differences the entire book is fast colloquial and engaging concise enough to be read in one sitting yet retaining the weightiness of a larger work its brevity makes it an ideal re read and the second reading proves just as entertaining the funny parts remain funny the rendering of landscapes evocative and intimate and the general themes stay relevant through rich and often comic dialogue and her painterly descriptions of the northwest landscape eden robinson presents a glimpse into her community with the delicious whispered quality of a well told yet well protected family story cara lyn morgan the malahat review winter 2011 offers the reader a taste of her skill as a storyteller the book is a tiny gem this brilliant little jewel under fifty pages offers readers a quick but intense opportunity to experience the work of a rising canadian writer like her novel monkey beach the accessibility of the sasquatch at home suggests its appropriateness for use in undergraduate courses above all it is an essential acquisition for anyone with an interest in pacific northwest or native canadian studies but it is also a find for those who just like a good story amy j ransom american review of canadian studies

this book constitutes the refereed proceedings of the 8th international workshop on advanced parallel processing technologies appt 2009 held in rapperswil switzerland in august 2009 the 36 revised full papers presented were carefully reviewed and selected from 76 submissions all current aspects in parallel and distributed computing are addressed ranging from hardware and software issues to algorithmic aspects and advanced applications the papers are organized in topical sections on architecture graphical processing unit grid grid scheduling mobile application parallel application parallel libraries and performance

there is no such thing as the ivory tower rather there sit side by side numerous windowless towers of knowledge each seeming to have only a small entrance and no discernable exit paul martin multilingual multicultural and vast canada enjoys a rich diversity of literatures so why does canadian literature as it has been taught fail to encompass a common geography history and government yet reveal the diverse experiences of its immigrants long term residents and original peoples martin s research interviews with 95 professors in 27 universities maps the institutional chasms in communication and the nature of their persistence his own example of venturing out from his tower to dialogue with colleagues shows a way toward cultivating a conception of the literatures of canada that is expansive and inclusive canadianists professors of english french postcolonial and comparative literatures and leaders in education will profit from martin s frank investigations

seminar paper from the year 2016 in the subject didactics for the subject english literature works grade 2 0 leuphana universität lüneburg institute of english studies language english abstract only very few people are used to storytelling for even fairy tales are written down and read out loud to children the same way over and over again without alteration changing perspective to first nation tribes one can easily discover the importance that oral tradition and storytelling has to these people it existed long before literature was introduced by the settlers in the post colonial era while contemporary canadian fiction and short story writing developed in the middle of the nineteen hundredth century native canadian writing was forced to create their own distinctive style of writing by combining storytelling with literature the new genre of storywriting was created in this paper i will analyze the key features of storywriting and will exemplify them with quotes from the book monkey beach by eden robinson 2000 first i will present a short overview over the author and the book in general then i will give a brief overview about the main motifs symbols and topics that the book deals with in the main part of this paper i will present different quotes and show typical aspects for oral tradition that can be found within them

euro par the european conference on parallel computing is an international conference series dedicated to the promotion and advancement of all aspects of parallel computing the major themes can be divided into the broad categories of hardware software algorithms and applications for parallel computing the objective of euro par is to provide a forum within which to promote the development of parallel computing both as an industrial technique and an academic discipline extending the frontier of both the state of the art and the state of the practice this is particularly important at a time when parallel computing is undergoing strong and sustained development and experiencing real industrial take up the main audience for and participants of euro par are seen as researchers in academic departments government laboratories and industrial organisations euro par's objective is to become the primary choice of such professionals for the presentation of new results in their specific areas euro par is also interested in applications that demonstrate the effectiveness of the main euro par themes euro par now has its own internet domain with a permanent site where the history of the conference series is described euro par.org the euro par conference series is sponsored by the association of computer machinery and the international federation of information processing

the 14 chapters presented in this book cover a wide variety of representative works ranging from hardware design to application development particularly the topics that are addressed are programmable and reconfigurable devices and systems dependability of gpus general purpose units network topologies cache coherence protocols resource allocation scheduling algorithms peer-to-peer networks large scale network simulation and parallel routines and algorithms in this way the articles included in this book constitute an excellent reference for engineers and researchers who have particular interests in each of these topics in parallel and distributed computing

this guide has been written to help policymakers and other stakeholders understand what community protocols are why they are

important and how they can support their development and recognition within formal environmental legal and policy frameworks it is also written for all interested in learning about community protocols including indigenous peoples and their communities and other local communities ilcs non governmental organisations ngos researchers industry and those working in government at the local national and international levels community protocols are an emerging concept in international environmental law and policy the term encompasses a broad range of practices and procedures written and unwritten developed by ilcs in relation to their traditional knowledge tk territories and natural and other resources these practices and procedures cover a range of matters including how ilcs expect external actors to engage with them
