for many years we did not know that god had seven spirits although we had read  
the bible through and were raised in a spirit filled environment we had never seen  
or heard anything about seven spirits we all knew that there is one body and one  
spirit even as ye are called in one hope of your calling eph 4 4 we all thought that  
when we received the one spirit in the baptism in the spirit that was the beginning  
and the finish of it we spoke in tongues and prophesied did a few miracles danced  
in the spirit and rejoiced with unspeakable joy and that was it this is all we knew  
god had for us this side of heaven seven spirits means in the original text seven

spirits the question follows are there seven spirits of god does god indeed have seven spirits whether you can accept this or not the scriptures do speak of more than one spirit the holy spirit is variously defined as the spirit of god of christ of holiness of truth of a sound mind of liberty of burning of the father of the son of promise of meekness of understanding of adoption of prophecy of glory of counsel of grace of adoption of prophecy of the lord etc etc these various titles repeated many times and used interchangeably give us a full proper assurance that they all relate to the same holy spirit in the old testament we see the spirit of god coming upon men in the new testament we have the holy spirit entering into them and dwelling within them abiding always working from within working outwards and upwards in the old testament we have the spirit of god as the spirit of the almighty and unapproachable one in the new testament we have the spirit of the father in and through jesus christ this book the seven spirits of god will let us take a closer look at some of these characteristics of the holy spirit

this work represents the rediscovery of an ancient pattern that god has given to his people in order to build his kingdom on earth this pattern can be found throughout the bible the scripture shows that the hebrew writers of old and new testaments thought wrote and lived according to this pattern we can see that they considered this pattern as foundational to planting building and living out god s kingdom here on earth as we recognize the pattern of the kingdom and begin to understand its elements we can begin to use it to structure every effort pertaining to the kingdom of god indeed the scripture urges us build everything according to the pattern that i god have shown you once recognized as god s intended pattern of the kingdom this pattern is applicable and necessary to every part of godly worship service and life today in fact as we implement our ministry work and life according to god s plan we

begin to see that god's plan is the only way to build his kingdom in the earth

this book illustrates a concern that in many cases Christians have been led away from the true and proper function of the Holy Spirit in their lives and therefore in many instances are functioning in a carnal state or have devised their own way the way of self or the way of others which includes false teaching this book also provides compelling evidence that Satan takes full advantage of these things which include greed lusts pride of life and the things of this world subsequently any relationship with God has been eroded greatly and they Christians then move further and further away from God to their peril as important as this book is it may only scratch the surface of the significance of the seven spirits of God but it is intended to spur the reader's interest in a personal knowledge of God which will prayerfully bring a personal relationship with Him it is also intended to give enough detail to be a great blessing help and encouragement to the reader to believe and rely on God in a more personal way than he or she has ever known before
