in this outstanding book susan strehle argues that a new fiction has developed from the influence of modern physics the changed physical world appears in both content and form in some of the most ambitious recent fiction which strehle names actualism after the observations of werner heisenberg within that framework she explores the meditations on actuality in pynchon coover gaddis barth atwood and barthelme although important recent narratives diverge markedly from realistic practice this book claims

that they do so in order to reflect more acutely on what we now understand as real according to Strehle the actualists balance attention to questions of art with an engaged meditation on the external actual world reality is no longer realistic in the new physical or quantum universe it is discontinuous energetic relative statistical subjectively seen and uncertainly known all terms taken from the new physics actualist fiction is characterized by incompletions indeterminacy and open endings unsatisfying to the readerly wish for fulfilled promises and completed patterns gravity's rainbow for example ends not with a period but with a dash realistic novels typically construct solid believable particularized environments but actualist texts combine the plausible and the strange thus a recognizable campus like Berkeley or Cornell has a suburb called San Narciso or Zembla Strehle makes the point that these innovations in narrative form reflect in allied ways upon twentieth century history politics and science arguing that the perception of a changed reality reaches into philosophy psychology literary theory and other areas of inquiry the book advances a pluralistic view of the meaning of contemporary fiction a final chapter extends the discussion beyond the North American borders to African South American and European texts suggesting a global community of writers whose fiction belongs in the quantum universe

this volume explores in detail the use of the doctrine of good faith in the common law when interpreting contracts and resolving disputes building on the findings of good faith and relational contracts Hart 2024 the book discusses the implications of relational contract theory and good faith for issues such as liquidated damages clauses discretion to terminate a contract contract forfeiture employment contracts and contractual remedies the author discusses the potential for good faith to unite a number of currently disparate contract law and equitable principles into a coherent framework providing an opportunity to question and jettison some archaic aspects of existing doctrine that are no longer defensible ambitious and thoughtful this is a significant statement on the role of good faith in private law

a groundbreaking revisionist account of the importance of the history of philosophy to intellectual change scientific philosophical and religious in seventeenth century England

offers an in depth experience of alchemical transmutation to cleanse old parts of the psyche and clear space for the shift to 5d through 9d consciousness reveals the astrological factors at play behind the multitude of crises hitting the world stage in 2018 2019 and 2020 including the COVID 19 pandemic continues the story from revelations of the Ruby Crystal and revelations of the Aquarian age with the age of Aquarius dawning six friends connected by ancient wisdom spiritual revelation past lives and sexual alchemy discover the connections between seemingly disconnected events environmental collapse schisms in the Catholic Church the refugee crisis political breakdown in

the united states the shift out of the age of oil to the high tech economy and the covid 19 pandemic the characters as well as readers experience moving out of fear based consciousness to the higher dimensions the story begins in florence italy at an art soirée in honor of armando pierleoni s visionary painting of jesus and mary magdalene in addition to the six friends armando his photographer wife jennifer new york times journalist simon his mystical wife sarah jungian analyst lorenzo and exotically beautiful and astrologically insightful claudia the dinner party also includes alessandro de medici later revealed to be a master alchemist and the jesuit priest father giorgio faccini the vatican archivist and a covert agent for the church s secret agenda as the aquarian vibrations intensify claudia sees the astrological factors at play behind the multitude of crises hitting the world stage and then covid 19 hits italy in the rapidly escalating tension the deepest fears and greatest joys of the characters lives are revealed armando has a spiritual breakthrough and high initiation with lorenzo in his tower and the friends discover alchemical keys and the perennial wisdom long suppressed by the church that will help humanity transcend

an unrivalled unofficial history of the rise and partial fall of fringe theatre mike bradwell s deadpan account of his adventures is one of the funniest and angriest books to come out of theatre today winner of the 2010 theatre book prize awarded by the society for theatre research as he travels through a counterculture peopled by nutters chancers dreamers and prophets bradwell makes us marvel at his resilience and creativity captured in a succession of vivid and often laugh out loud episodes such as creating a character with mike leigh enjoying the onstage mass orgasms of the living theatre eating fire with bob hoskins becoming an underwater escapologist reluctantly in the ken campbell roadshow creating hull truck and doing battle with the health and safety brigade the funding bodies and a polish heavy metal disco during his ten years running the famous bush theatre in west london bradwell was a passionate champion of the alternative as well as an admired and successful director in this book he makes a compelling and urgent case for preserving the true and subversive spirit of theatre from castration at the hands of bankers consultants stakeholders cultural diversity compliance monitors and the arts council towards the end of this brilliant account of his epic forty year journey mike tells us i don t believe that theatre is safe in the hands of grown ups and it is his healthy eternal youthfulness that makes the book so inspiring mike leigh from his foreword

simon freeman has just graduated from college and is driving across country in search of a lucrative sales job and the american dream along the way he is diverted off the path by a storm that leads him back to a small midwestern town where he had spent the first ten years of his life after reconnecting with his old friends he quickly becomes

accustomed to an all too familiar lifestyle not long after his arrival a murder rocks the community and simon becomes convinced that he has been chosen to put an end to a curse and the cycle of tragedies that have plagued the town of bethel for the past seventy two years with the help of a wily old principal named thelma harold he comes to believe that by renovating the local elementary school he can influence a referendum vote that will restore the values and priorities of a corrupt depraved community that has been overrun by a shrewd businessman named jack lawless and a small faction of wealthy landowners during the renovation however simon unwittingly enters into his own personal journey that takes him from salvation to sanctification along the way a fledgling romance with a young teacher named hope wiseman forces simon to confront the demons of his past and make a choice to either serve himself or christ in the end simon finds out that simply returning a building to its original condition has far greater societal implications to the eternal welfare for the cursed people of bethel

hamas militants have abducted lior samet the grandson of israeli national war hero brigadier general avigdor cohen but the israeli government does not negotiate with terrorists cohen s inner world is turned upside down as he does what he must to bring lior home less than forty miles away but more than two millennia earlier alexander the great descends upon jerusalem ready to attack but after a highly charged confrontation with simon the high priest he spares the town as the controversial story unfolds the maccabees priestly militant warriors are raised to fight off the greek imperialists yamin levy s ambitious debut novel explores the inner world of warriors reluctant soldiers zealots and freedom fighters the parallel storylines describe both the early origins and modern versions of israeli nationalism and military zeal and how the kohen clan has left its mark on the spiritual landscape of the jewish psyche and on the battlefield levy gives voice to a range of perspectives associated with the israeli palestinian conflict and with israeli society s evolving attitudes regarding their physical spiritual and existential survival
