The first edition of *Yookoso: An Invitation to Contemporary Japanese* was warmly and enthusiastically received by Japanese language instructors not only in North America but also abroad. The preliminary chapters entitled *Getting Started* were a first edition feature that many instructors and students found especially useful and effective for their introductory Japanese courses. In response to this positive response, we have revised and expanded these preliminary chapters as a primer to introduce learners to the Japanese language, providing them with a basic foundation for learning Japanese. *Yookoso: Getting Started with Japanese* has been developed according to two basic premises: 1. Proficient communication in the second language is the goal of foreign language instruction, and 2. The primary function of language is to allow people to communicate, interact, and negotiate meaning. *Yookoso: Getting Started with Japanese* provides a starting point for oral and written communication and helps students to develop proficiency in the four language skills of listening, speaking, reading, and writing, as well as in cultural awareness. With this emphasis on interaction in the classroom, students enjoy learning Japanese. The *Yookoso* materials and approach have been extensively tested with beginning students of Japanese. In our experience, students become proficient in Japanese more quickly using the *Yookoso* approach. The flexible framework of the *Yookoso* materials accommodates various approaches to language teaching and different learning styles.

This book introduces six key influential feminist activists from Japan's contemporary feminist movement and examines Japanese women's experience of and contribution to the international #MeToo movement set against a backdrop of pervasive sexual inequality in Japanese society on a scale that makes Japan an outlier in Asia as well as the rest of the advanced democratic world. This book offers a snapshot of Japan's contemporary feminist movement and the issues it faces, including primarily sexual violence and harassment of women and girls. The six feminist activists interviewed to create this snapshot all work toward eradicating sexual violence against women and girls. They are Kitahara Minori (instigator of the Flower Demo and public commentator), Yamamoto Jun (activist for sex crime law amendments), Nitō Yumeno (advocate for sexually exploited girls), Tsunoda Yukiko (feminist lawyer), Mitsui Mariko (former politician and current activist), and Yang Ching-ja (comfort women activist).

Through examination of contemporary Japanese society, this book demonstrates that the analysis of class formation is fundamental for a clear understanding of institutions and collective identity, such as family, school, work, gender, and ethnicity.
